

LAWRENCE IS OFFERED GIFT OF \$200,000

College Will Receive That Sum
if It Raises an Additional
\$400,000.

SMOKING IS CONDEMNED

College Rules Prohibiting Use of
Tobacco Will Be Strictly
Enforced.

An offer of \$200,000 by the General Educational Board if the college raises \$400,000 was accepted by the board of trustees of Lawrence College at the semi-annual joint meeting of the college trustees and visitors. The money will be used to meet the deficit of several years back and to increase the salaries already granted the faculty. The trustees \$800,000.

The treasurer's report of last year showed a deficit of \$17,464, the income being \$253,505, and the expenditure, \$270,969.

The money will be raised by the usual method of solicitation, and there will not be a drive or general campaign unless the first plan fails.

Condemn Smoking
The use of tobacco among undergraduates led to discussion and condemnation of the practice by both trustees and visitors who passed the following resolution:

"Inasmuch as the war has popularized the cigarette and has fastened the cigarette habit upon the youth of the country to an alarming degree, we the Board of Trustees of Lawrence College, respectively request the students of the college to aid the Christian forces of the state in correcting the unfortunate situation by abstaining from the use of cigarettes."

The board also charged the administrative officers of the college to rigidly enforce the rules refusing students the privilege of smoking in any of the college buildings, or on the college grounds.

Commend Strict Rules
The enforcement of Brook Hall regulations, especially those pertaining to smoking and disturbances of various kinds, was commended. It was reported that the stricter basis on which the hall was run this year, has increased the efficiency of the work of the students living there.

The wide-spread demand by students for officially sponsored dances at Lawrence was ignored. While the board is holding off its decision, there was a tendency to make the present policy even more stringent and prohibitive.

There were twenty visitors and trustees attending the meeting.

**Point Isabel Is Ready to Receive
President-Elect and His
Followers.**

By United Press Leased Wire
Marion, Ohio.—Warren G. Harding's trunk was being packed today preparatory to his trip to southern Texas for two weeks.

The president-elect cleaned up urgent mail and saw a number of visitors. Harding headquarters have been practically deserted since election day. Some of the executive offices are being dismantled and many of the employees are returning to Washington tomorrow. A small staff will be kept here to handle routine matters.

Point Isabel, Tex. — Point Isabel, semidetached coastal town, was getting ready today to extend its best hospitality to the nation's next chief executive.

It is Crocker's summer home where the president-elect and Mrs. Harding will live the two weeks they are here, in readiness.

The local hotel where some of Harding's personal friends who will be here with him and a limited number of newspapermen will be quartered, expected to do the biggest business in its history.

It is doubtful if a more distant and exclusive retreat could have been picked by the president-elect. The town of about 400 of which a large percentage are Mexicans, is on Laguna Madre, eight miles north of the mouth of the Rio Grande, and is connected with the Rio Grande and the mainland by a narrow gauge railway.

**WOMEN TO PLAY BIGGER
PART IN GOVERNMENT**

By United Press Leased Wire
Marion, Ohio.—Women will play a larger part in the administration of Warren G. Harding than ever before in American history, it was learned today.

There will be a woman in his cabinet. In event the department of public welfare is created by congress, as recommended by Harding.

Women will also be called into conference on the league of nations questions.

Mrs. Raymond Robins, Chicago, is one woman mentioned as possible head of the proposed department of public welfare.

A greater number of executive appointments will go to women than ever. Many high posts in the department of labor, in the bureau of education and similar branches will go to women.

Marion, Ohio.—President-elect and Mrs. Warren G. Harding stood in line in the rain on election day, refusing to go into the polls ahead of those who arrived earlier. They awaited their turn with the rest of the voters. The photograph shows Mrs. Harding casting her first presidential ballot and her husband waiting for his turn.

N-P LEAGUE WINS IN ONLY ONE STATE

Wisconsin Is Only Common-
wealth in Which League
Made Gains.

By United Press Leased Wire
St. Paul.—One league was killed and another badly wounded in the republican landslide.

In only one state did the national non-partisan league gain victories—Wisconsin.

In North Dakota, where the Non-Partisan league was born and grew into control, the league was believed to have suffered a big setback in spite of the fact that it re-elected Governor Frazier for a third term, and named a United States senator. On the face of incomplete returns it lost control of both houses of the state legislature—a vital blow.

The election of John J. Blaine as governor of Wisconsin cannot be claimed entirely as a Non-Partisan league victory either. However, the league was "on" him and thus is happy.

In Minnesota where Non-Partisans were confident of gaining at least a few state offices—they were given a bad beating. Record pluralities were polled for opponents of the league, and the campaign issue was so clear cut as to make the league defeat certain.

Without Dakota the situation was the same. In Montana where the candidate ran on the democratic ticket, the landslide was disastrous. Nebraska went anti-league, and so did Iowa, Texas and Colorado.

CHARGE FRAUD IN KENTUCKY VOTE

Democrats Aver Thousands of
Votes Were Cast Illegally
in Mountains.

By United Press Leased Wire
Louisville, Ky.—Charges of fraud were made by democratic party officials today as belated returns from seven republican counties in the tenth and eleventh congressional districts put Richard P. Ernst, republican candidate for United States senator, about 3,000 ahead of his democratic opponent, Senator J. W. C. Beecham. These returns showed Ernst leading by 24,000 in those counties.

John P. Grayot, democratic state chairman, charged a discrepancy of 11,000 votes in the mountain districts and declared 2,000 illegal votes were cast in Harland county. He claimed that \$20,000 was paid for votes; that unnaturalized foreigners and negroes in short dresses voted; that negro "repeaters" were driven from precinct to precinct in motor trucks; that democratic officials were intimidated and that democratic challengers were ousted.

Chesley Scary, republican state chairman, denied the charges. Secret service men from Washington were reported to have been ordered into the mountain districts.

Gov. Cox still maintained a lead of 3,400 over Senator Harding in the state.

INITIALS GIVE CLEW TO SLAYER

Police Maintain That Robbery
was Motive for Murder
of Clubman.

By United Press Leased Wire
New York.—The initials "W. H. A." on a cheap suit of underwear may lead to the capture of the shabby youth who murdered Leeds V. Waters, wealthy young clubman, found dead in an obscure hotel here Wednesday.

Waters and his shabby companion registered early Wednesday and an hour later, hotel employees entered the room and found Waters dead.

His companion fled. Despite the fact Waters' clothing, neatly piled on a chair, disclosed jewelry worth \$1,000, Assistant District Attorney Henus maintained the motive for the murder was robbery.

He said Waters probably had been impressed by the hard luck story of the youth and undertaken to give him a night's lodging. Waters' guest registered as "James Dunn," of Milwaukee; Waters also assumed a fictitious name.

"Dunn" was misled as to the amount of money his benefactor carried, according to Henus' theory, or was so hurried in getting away that he failed to collect everything.

Waters' body was nude when hotel clerks entered the room.

18 YEAR OLD PHONE GIRL BRUTALLY SLAIN

By United Press Leased Wire
St. Louis.—The body of Miss Edna Ellis, 18 year old telephone operator, was found in a vacant lot here today. Her throat had been slashed in two places.

The gloves which she wore were cut to ribbons. Indications were she was murdered after a desperate struggle. Her eyes were blackened and the left jaw swelled. A nearby negro settlement was searched by police today for the murderer.

The police found the coat and hat near the spot where her body was found. Her handkerchief, found a few feet away, was red with blood.

Clasped in one of her hands was a vanity case with the mirror broken.

HARDING WILL CARRY OKLAHOMA BY 20,000

By United Press Leased Wire
Oklahoma City.—President-elect Harding apparently will carry Oklahoma by more than 20,000.

Returns early today from 2,334 precincts out of 2,635 in the state gave Harding 211,341; Cox 193,884.

Senator-elect J. W. Herrald's plurality continued to increase. With 2,411 precincts heard from, Herrald has a majority of 24,807 over Scott Ferris.

Democrats apparently have lost five of the eight seats in congress. Indications are the republicans will control the next legislature.

BIG PROBLEMS FACE HARDING AND CABINET

At Least 100 Questions of Major
Importance Must Be
Answered.

GUESS AT NEW CABINET

Root, Lowden, Sutherland and
Weeks May Be Given Im-
portant Posts.

(By Ralph F. Couch)
By United Press Leased Wire
Washington, D. C.—One hundred problems of major importance will confront the cabinet to be appointed by President-elect Harding.

The number of minor problems is legion. Although President-elect Harding has so far given no indication as to who will be asked to form the new cabinet, political observers here have made up a partial slate of secretaries like this:

State: Elihu Root, of New York.
Treasury: Governor Frank O. Lowden, of Illinois; Justice: Ex-Senator George Sutherland, of Utah.
Navy: Ex-Senator John W. Weeks, of Massachusetts.
Agriculture: Henry C. Wallace, Des Moines editor.

Postoffice: Henry M. Daugherty, of Ohio, or Will H. Hays.
Labor: John Nolin of California.

Herbert Hoover, General Pershing and Major General Leonard Wood also are regarded as possibilities.

Bringing a technical as well as practical state of peace and paying the remainder of the cost of the war will be a big job for the administration.

Big Job for Root
In addition to writing the peace terms with Germany and Austria, Root, if appointed secretary of state, must frame a Russian and probably a Mexican policy and propose to the other powers President-elect Harding's plan for an "association of nations."

Governor Lowden, if appointed to the treasury, will have to get the (Continued on Page 3)

Wilson Offers Private Yacht To Mr. Harding

Mayflower and Battleship Are
Placed at Disposal of
President-Elect.

By United Press Leased Wire
Washington.—President Wilson today placed at the disposal of President-elect Harding an American battleship and the president's yacht Mayflower for the latter's proposed visit to the Panama canal.

The offer was made in a telegram sent to Harding by Secretary of the Navy Daniels at the direction of the president.

The telegram read:
"The president desires me to say that, having heard you contemplated a visit to the Panama canal zone, he has directed me to place a warship at your disposal. I can also authorize the use of the Mayflower to take you to Hampton Roads, where the ship will wait for you if that suits your convenience. It will give me pleasure to make such arrangements as will be agreeable to you."

**WEAVER AND M'MULLIN
FREED ON \$20,000 BAIL**

Chicago.—Fred McMullin and Buck Weaver, two White Sox players indicted on charges of conspiracy in connection with the alleged throwing of the 1919 world series, surrendered to authorities today and gave bond for their appearance for trial.

Bond was fixed at \$20,000 each. The pair was fixed by their attorney, Fred Nash, when they appeared at the state attorney's office. Both McMullin and Weaver have denied any connection with the alleged conspiracy.

**SOVIETS CLAIM BIG
SUCCESS IN CRIMEA**

Constantinople.—The last communiqué from General Wrangel's headquarters said that fierce fighting was continuing in the Taurida region.

Soviet reports said that immense successes had been gained and that all forces, aerial and land, had been launched against the seven mile of defense across the neck of the Crimean peninsula.

Picturesque Men To Leave Public Life

Analysis of Results Shows Mag-
nitude of Republican Vic-
tory at Polls.

By United Press Leased Wire
Boston, Mass.—Dress, the swing of the body and the saucy eye of the modern young women are bids for insults, according to Dr. Charles W. Eliot, president emeritus of Harvard.

In an address here, Eliot gave women a full share of blame for a lowering of morals.

"Morals tenets and the dictates of propriety, I believe, are considered more binding among middle class people than in the more raffish atmosphere of the higher social circles," Eliot said.

"I know a young woman who cannot go out without having some man make an insulting remark. It is because of the way she dresses herself, the way she swings her body and the look in her eye.

"These young women do not want to be indecent. They merely want to be fashionable and pretty, but the clothes are immodest and they have a psychological effect. They tend toward immorality in manner."

440 [vlna000000] 441 [vlna000000] 442 [vlna000000]

LENROOT LEADING BY 50,000 VOTES

Election of All Republican State
Officers Is Assured by
Returns.

Milwaukee.—With it certain that all candidates for state offices of the republican ticket as announced yesterday by the United Press, had been elected in the Tuesday election, headquarters of the various parties here today were only interested in the complete official returns which will be announced by the secretary of state at Madison to determine just how many votes their respective candidates received. They had stopped counting returns today with 83 precincts from 25 counties missing in the race for senator, and more precincts missing in the vote for president, governor and other state offices.

The final vote is expected to show Irvine L. Lenroot polled about 50,000 more votes than James Thompson, who will run about 140,000 over Paul S. Reinsch. Frank Weber will be about 20,000 under Reinsch. Final figures are expected to show Warren G. Harding polled around 350,000 more votes than James M. Cox, who will run about 40,000 over Eugene V. Debs.

John J. Blaine was expected to run 100,000 better than Robert McCoy for governor. The returns on other state offices were less than three-fourths reported.

A complete list of the new members of the state assembly and senate, which will include some socialists, is not available.

BRITISH PREPARED FOR MORE IRISH UPRISINGS

LEAGUERS LOSING
GRIP IN N. DAKOTA

Non-Partisans Lose Control of
Legislature—Whipped in
Minnesota.

By United Press Leased Wire
Fargo, N. D.—A fusion of anti-tore great holes in the Non-Partisan league control of North Dakota's state government in the election Tuesday, returns showed today.

The league won only three important victories apparently.

They were: Re-election of Lynn J. Frazier as governor, for a third term; election of Dr. E. P. Lodi as United States senator, and re-election of J. H. Sinclair to congress from the Third district.

The league apparently lost its majority in both houses of the state legislature, although the count is close.

With 1862 precincts, out of 2,091, reported, Frazier had 105,020, and O'Connor 103,338.

Lose in Minnesota
St. Paul, Minn.—Non-Partisan leaguers lost five or more seats in the lower house of the legislature in the republican landslide, according to returns today.

The league has elected less than twenty-two representatives in the legislature and this may be cut to nineteen or twenty when the final count is made.

Amendment No. 1, providing for \$100,000,000 worth of good roads in the next ten years, passed by an overwhelming majority, more complete returns showed.

The total vote for the amendment will go over 425,000, it was believed.

The largest total of votes cast for any state office may reach close to 700,000.

Amendment No. 3, probably has been defeated but the other two amendments have a chance to win.

Run Second in S. Dakota
Pierre, S. D.—Republican majorities in South Dakota will exceed previous records, almost complete returns of state offices indicated today.

The entire republican state ticket was elected apparently, by big pluralities. In most cases non-partisan league candidates ran second and democrats third.

**PALMER WANTS TO
CONFER WITH AIDES**

Attorney General Orders His As-
sistants to Meet Him in
Washington.

By United Press Leased Wire
Indianapolis, Ind.—Attorney General Palmer today wired attorneys here handling the government's case against 125 coal miners and mine operators, charged with conspiracy to violate the Lever law, to come to Washington immediately for a conference with him.

Palmer's action followed that of Federal Judge A. E. Anderson yesterday who announced he would investigate the attorney general's connection with the coal case when it comes up for trial Monday.

Shortly after the announcement that the prosecutors had been summoned, Judge Anderson issued the following statement:

"I am going to find out if an attorney has the power to suppress evidence in a contempt case in this court."

Anderson refused to clarify his statement.

**MARSHALL SAYS HE IS
"THRU WITH POLITICS"**

By United Press Leased Wire
Madison, Wis.—"I got through with politics Tuesday night," was Vice-President Thomas Marshall's only comment when asked what he thought of W. Jennings Bryan's suggestion that Wilson resign as president, let Marshall move up and name Harding secretary of state and then step down himself.

"Of course, when I say I'm thru with politics, I mean temporarily," added the vice-president.

The Marshall stopped off here this morning that Mrs. Marshall might rest before continuing to Richland Center where the vice-president speaks tonight.

**TEACHER SHOT BECAUSE
HE WHIPPED GIRL PUPIL**

By United Press Leased Wire
Middleboro, Ky.—Middleboro high school was closed today as a result of a tragedy which may cost the life of the principal, W. J. Barnes, 45, of Louisville.

Barnes was shot over the heart by Adolphus Oaks, brother of the girl pupil whom the principal is alleged to have whipped last week.

Oaks surrendered and was held in jail.

Following general criticism of his punishment of the girl, Barnes had resigned.

Not So Hard To Reduce If You Are Willing To Try It

Mrs. A. B. Caldwell of Chicago Tells How She Reduced 64 Pounds.

By United Press Leased Wire
Chicago—Ladies of large proportions and full of ambition for a perfect avoirdupois, gather round and listen to the story of how Mrs. Austin B. Caldwell, who two months ago weighed 234 pounds reduced 64 pounds.

Mrs. Caldwell in telling the story said:

"Two months ago I couldn't do the housework because I was so heavy it was work for me to move around. I became desperate.

"Day after day I went to the public park where I played volleyball and tennis. I straddled the leather horse, hiked and worked in the garden. The

DEMPSEY AND GEORGES SIGN PACT FOR FIGHT

By United Press Leased Wire
New York.—The super-fight of the century was practically assured today when Jack Dempsey and Georges Carpentier signed an agreement to meet in the ring.

The terms of the agreement were broad, specifying neither time nor place, nor exact number of rounds.

The surprise of the ceremony was Promoter Tex Rickard's announcement that prices would be held within the range of \$5 to \$10.

The fight will be held outdoors, probably the afternoon of Memorial Day or the Fourth of July.

The signatures of the two premier heavyweights were slipped upon im-

GREEKS DO NOT WANT CONSTANTINE AS KING

By United Press Leased Wire
Athens.—Greeks themselves, without pressure from the allies, determined to keep King Constantine from returning to the throne, Premier Venizelos said in an interview today.

Prince Paul's appeal for abeyance to determine whether he should be called to the throne was the appeal of Constantine, the premier said.

"I will not grant him a plebiscite," Venizelos declared.

"I am telling the Greek people that if they return my party to power I shall act as I think fit regarding succession to the crown. I am confident of the result."

PHONE GIRL DEMANDS \$250,000 HEART BALM

By United Press Leased Wire
St. Louis.—Charging that George F. Hibbard, wealthy lumber dealer, used every artifice to impress upon her

100 BIG PROBLEMS FACING HARDING

(Continued from page 1)

United States started on the task of paying off the rest of the cost of the war, about \$14,000,000,000.

Cash must be found to pay off about \$4,500,000,000 worth of victory notes in May, 1923. Between now and then the total amount of government obligations of all kinds maturing will total nearly \$7,500,000,000.

Can't Cut Taxes

This means the government's annual tax bill must continue to total at least \$4,000,000,000 a year. Most of this new money comes from the excess profits tax law, which business men are demanding be repealed.

To complicate the problem of cutting down fixed charges of the government, about 65 per cent of the \$4,000,000,000 now collected annually is already pledged to pay war charges. These charges include annually about \$300,000,000 for the maintenance of the army and navy; \$350,000,000 for the war risk bureau and war insurance, hospitals and assistance for former soldiers; \$250,000,000 for civil war pensions and \$1,200,000,000 a year for interest and sinking fund charges on the debt of the great war.

Some problems that will face heads of other government departments follow:

Farmers Want Action
Agriculture: Farmers, now threatening a national strike because of the low prices paid for their products, must be assisted and encouraged to increase production. The drift of farmers from the land to the city must be halted.

Shipping board: Hog Island, which cost the government nearly \$70,000,000 must be sold as well as 12,000,000 tons of shipping now being operated by the government.

Labor: The new secretary of labor will take over his duties at a time when employers are believed to be planning a national concerted movement to reduce wages. President Campers, of the American Federation of Labor, challenged employers to attempt this, declaring that labor will fight.

Interior: Concessions in oil and potential water power sites worth billions must be allotted by the new head of the interior department under the new water power and oil land leasing bills.

War: The new secretary of war must undertake the reorganization of the army and the national guard. Money for this will not be readily available because of the tremendous outlay that must be made to pay for the war just ended. In addition, a reserve army must be recruited sufficient to throw 2,000,000 men into the field in case of an invasion of the United States by a foreign power.

Navy: The secretary of the navy must carry through the present three year building program which will give the United States one of the world's biggest navies.

TUMULTY DENIES HE WAS PLAYING POLITICS

By United Press Leased Wire
Washington, D. C.—J. P. Tumulty, secretary to President Wilson, today declared there was no truth in the charge he had manipulated coal priority orders for political purposes.

The charge was made by Franklin T. Millor, secretary of the senate reconstruction committee.

"There was no politics about it," Tumulty said.

"I merely put some men in touch with Mr. Alford, of the railroad administration, after they had come to me volunteering information regarding the coal situation. I never conferred with or dictated to members of the interstate commerce commission."

PRISONER SLAYS JAIL WARDEN AND "TRUSTY"

By United Press Leased Wire
Mt. Holly, N. J.—Harry W. King, warden of the Burlington county jail, was killed today by Harry Asay, a prisoner, according to a police report.

Charles Vernon, a trusty, was seriously injured.

Asay attacked the warden and Vernon with an iron, it was said.

The warden was hit over the head as he entered the prisoners' pen where there were 35 prisoners in a single unpartitioned room, police reports said.

Asay then ran upstairs and into the prison kitchen where Vernon was working and attacked him. Asay was still in the kitchen when overpowered.

ons must be allotted by the new head of the interior department under the new water power and oil land leasing bills.

War: The new secretary of war must undertake the reorganization of the army and the national guard. Money for this will not be readily available because of the tremendous outlay that must be made to pay for the war just ended. In addition, a reserve army must be recruited sufficient to throw 2,000,000 men into the field in case of an invasion of the United States by a foreign power.

fat just fairly fell off and today I weigh only 160 pounds and it still keeps coming off."

Now, Mrs. Caldwell said, she can romp and jump, not quite as well as a girl, but nearly.

Mrs. Caldwell trained under the supervision of the city health department, which designated what she should eat each day and the hours at which she was to get up in the morning and go to sleep at night.

TEACHERS LAUNCH FIGHT ON STATE SUPT. CARY

By United Press Leased Wire
Milwaukee—Over 10,000 state teachers here have two fights before them as they gathered today for the second day of their three day convention.

The first is an attack launched on C. P. Cary, state superintendent of public instruction, holding he was responsible for the government Ayres' educational statistical report, ranking Wisconsin thirty-third among the states. The attack was made by Major E. A. Fitzpatrick, secretary of the state board of education.

The second battle was over the fight to reorganize the state teachers association.

ROADS WANT TO ISSUE \$105,000,000 IN NOTES

By United Press Leased Wire
Washington—The interstate commerce commission today received applications from the New York, New Haven and Hartford railroad for authority to issue \$95,000,000 of 5 per cent bonds; from the New York Central for authority to issue \$7,000,000 of 5 per cent bonds and from the Richmond Terminal company \$3,100,000 of 5 per cent notes.

In each case these sums are to be used as collateral security for obligations resulting from improvements and loans by the government during government control.

FROM 15 TO 25 UNION LABOR MEN IN CONGRESS

By United Press Leased Wire
Washington—The next house of representatives will include at least 15, "probably 20, possibly 25," holders of union labor cards, Samuel Gompers, president of the American Federation of Labor, said today, following a partial check up of election results.

Gompers said he believed the election a victory for labor.

"Incomplete checking already show that fifty congressmen who were inconsiderate or hostile have been defeated," said Gompers.

"Against these 50 who were defeated the working people have elected from 15 to 25 men whose record show fair and considerate service."

THREE MEN INDICTED IN BUILDING PROBE

By United Press Leased Wire
New York.—Indictments were voted against three men here today by a grand jury investigating the building situation in New York. Bench warrants were issued by Judge Thomas Mulqueen, names of the men being withheld pending their arrest.

used as collateral security for obligations resulting from improvements and loans by the government during government control.

HOLLAND CHARGED WITH KEEPING FORMER KAISER

By United Press Leased Wire
London.—The safe keeping of the former kaiser has been laid at Holland's door.

Premier Lloyd George, questioned in commons as to plans for punishing the former emperor, said his pre-election pledges had not contemplated making war on Holland to force Wilhelm's delivery to an international court.

There would be no sense of a trial without the presence of the kaiser, he declared.

The kaiser probably is enduring as severe punishment in Holland as he would in prison, Lloyd George said, and Holland is responsible for his permanent and safe custody.

Dies of Injuries

By United Press Leased Wire
Milwaukee—Sylvester Mucha, 18, died in a local hospital last night of injuries received when he fell from a motorcycle yesterday.

Six others were injured in auto accidents here yesterday and last night.

"HOWDY, PRESIDENT," WILL HAYS SAYS TO HARDING

By United Press Lensed Wire
 Marion, Ohio.—Will H. Hays, national republican chairman, arrived here today to confer with President-elect Harding.
 The diminutive national chairman went up the steps of the front porch two at a time.
 Senator Harding was just coming out of his house.
 "Hello there, Bill," Harding said.
 "Howdy, Mr. President," Hays replied.
 "That's the first time I ever called you Bill," Harding said, "but a president-elect can get away with a lot of things you know."
 They walked from Harding's house over to the headquarters building next door. Harding with his arm around Hays. Hays is conceded a place in the Harding cabinet by those close to the president-elect.

Miss Esther Hammill of Missoula, Mont., is visiting at the home of her parents, Mr. and Mrs. John Hammill, Fifth street.

TOO MUCH OFFICIAL BUNGLING IN U. S.

Harding Outlines His Policies When He Takes Charge of Government.

By United Press Lensed Wire
 New York.—More business in government; less government in business, is President-elect Harding's plan for his administration.
 "The president-elect sounded his slogan in a signed article in the current issue of World's Work.
 "We have had too much government in business," he wrote.
 "I mean by this that on the one hand we have allowed our government to engage too much in enterprises which it has bungled and which American business can do better, safer and cheaper, and on the other hand we have had too much ineffective tinkering with our economic structure."
 "I do not mean that government should let business alone in the sense that it should allow practices which are inconsistent with American standard of honor and fair play. Nothing could be more deplorable than substituting as we have substituted, quantity of laws for quality of laws, as if the thickness of our statute books were a measure of wise legislation.
 "American business is not a selfish, privilege-seeking monster.
 "We must repeal and wipe out a mass of executive orders and laws, which, failing to serve effectively to prevent profiteering and unfair practices, serve only to leave American business drifting and afraid.
 "We must adjust the tariff and this time with special regard for the new economic menaces to our American agriculture as well as to our American factories.
 "For more business government cooperation to business. We must protect American business at home and we must aid and protect it abroad by the upbuilding of our merchant marine.
 "We must build our economic life into new strength so that abroad we will be known, not as a nation strutting under a plumage of fine words but as one that knits friendly and peaceful relations by the shuttle of honorable deeds."
 "For more business in government. Harding said the budget plan must be revived, postal service put on an improved basis, civil service extended, useless job holders lopped off, and advice of experts on technical matters accepted.

Rueben Moe of Iowa, who has been visiting friends in the city, returned to his home Thursday.

A. McDempster of Oshkosh, was an Appleton business visitor Thursday.

SOUND DEATH KNEEL OF ALL WILSON PACTS

President-Elect Harding Avers League of Nations Is Dead Issue.

IMPROVE WORLD RELATIONS Conferences With Prominent G. O. P. Leaders Will Be Held Soon.

(By Raymond Clapper)
 Marion, Ohio.—The league of nations has been pronounced dead by President-elect Warren G. Harding.
 In one smashing sentence the next president of the United States sounded the death knell of the covenant.
 It came as the climax of his first speech since the election, delivered to his Marion neighbors from the front porch last night when they came by thousands to congratulate him on his election.
 The American people, by the unparalleled majority they gave the republican candidate, ordered the league of nations scrapped, according to the interpretation Senator Harding places on the solemn referendum. He made it clear today that this mandate will be carried out to the letter.
 The Marionites in their parade, carried up to the front porch a stretcher bearing the effigy of a corpse labelled "League of Nations."
 "You didn't want a surrender of the United States. You wanted America to be free and unimpaired. That's why you didn't care for the league which is now deceased."
 Senator Harding thus took the first opportunity after his election to clear the air on the league matter.
 Improve World Relations
 But simultaneously, he will undertake the rebuilding of an entente cordiale between the United States and the rest of the world. This policy contemplates America taking an active part in restoring normal international condition. It means resumption of relations with Germany as soon as possible and with Russia and Mexico ultimately, negotiations looking toward an association of nations.
 Two moves are expected to be made by Senator Harding in the near future.
 Meeting of Mexican leaders, including probably President-elect Obregon, on the border, while vacationing at Point Isabel, Texas, and conferences with senate leaders over drafting of a resolution declaring the war with Germany at an end and providing for resumption of normal trade relations.

Although Secretary of the State Colby has intimated the Wilson administration may recognize the Obregon administration, the feeling at Harding headquarters is this step will be left to the discretion of the new administration.

The terms on which Senator Harding will extend recognition to Mexico will be firm but fair, it can be stated authoritatively.

Mexico's national dignity will be fully respected but the Harding administration will insist on her completely and wholeheartedly adhering to the code of international honor.

Must Give Promises
 Mexico will be required to give unqualified assurance of her willingness and ability to protect American lives and property within her borders. It is not likely that the Harding administration will go to the extent recommended in the recent report of Senator Fall's investigating committee in demanding American supervision of Mexican internal affairs. The Harding policy is expected to lie somewhere between that and the policy of President Wilson. Senator Harding will meet the reasonable demands of American business interests throughout. It can be said, but he will be disposed to allow Mexico to work out her own salvation with such American aid as she may desire.

Conference with senate leaders over the resolution of peace with Germany will not begin for at least a month. Although the question of Senator Harding's plans regarding the proposed "association of nations" is up in the air, it may be stated Senator Harding has no plan of his own and

he will propose no detailed plan for some time to come.
 Ultimately he intends to call together a great bi-partisan conference to map out a course.
 Scrap all Treaties
 It is probable under President Harding, the group of treaties negotiated by President Wilson at Paris will not see daylight again.
 In this category are included the treaty with Germany, sent back to the White House by the senate; the Austrian treaty, never submitted by President Wilson to the senate; the Franco-American agreement untouched in the executive vault of the senate, and several lesser pacts.
 "There is a new world relationship to be established," Senator Harding told this neighbors last night.

ALASKAN GAME

Alaska has had a game law since 1902, but its enforcement seems to have been left to a federal department officer thousands of miles away in Washington, with inevitable consequences. Though still in force, the law is said to be very generally disregarded, the minders and "mushers" holding that Alaskans are entitled to all the meat on the hoof they can get at all times. Sportsmen appear to be liberal-minded also, for Wright Weirich of the Southeastern Alaska Fish and Game club, puts the blame for rapid destruction on the wolves. He writes that these are the arch culprits and he would solve the problem by a bounty on wolves. "I am firmly of the opinion," he says, "that if the wolves were exterminated our population, including Indians, could not use the surplus nor the natural increase, provided there was sufficient restruction placed on killing females and yearlings."

A bounty on wolves would be useful of course, but this sportsman fails to keep in view the fact that game was plentiful in spite of the wolves and the Indians before white pothunters took a hand in the killing. Reports show that the destruction of Alaskan game in recent years has been so rapid as to be alarming, former enormous herds of caribou in the coastal region of Bering sea having been literally exterminated. Mr. Bellmore Browne, one of the Mt. McKinley mountain climbers, says that in a region where he first found many moose and caribou he saw only one big buck ten years later in a journey of 150 miles. It is obvious that Alaska needs better game laws and is in greater need still of determined enforcement of such laws.

GERMANS AND THE LEAGUE

Apparently Germans in Germany and Germans in the United States are opposed in their attitude toward the league of nations. The latter were represented during the campaign as solidly opposed, yet it appears that leaders of thought in Germany regard the league of nations as their country's safest reliance under the new conditions. The Baltimore Sun quotes Mr. W. B. Buckler, who has just returned from Berlin, assaying the Germans look upon the league as a means of securing modifications of certain clauses of the treaty of Versailles and "want the United States in the league for just the same reasons for which Great Britain and France want it in—namely, because our strength and size will give weight and our detachment impartiality to the decisions of the league."

The editor of the Berlin Welt am Montag told Mr. Buckler that he placed his whole hope for the future in the league. "Beg all American well-wishers of the new Germany," he said, "to strengthen the league with all their might. If they cripple it by withholding America's support, they ruin the one remedy for our troubles. Deprive our people of their trust in this league on which their gaze is now fixed and they will look either to the kaiser or to Lenin. For without the league our prospects are hopeless." This is so sane and convincing, and the facts are so clear in the matter, that the sentiment of persons of German birth and descent in America, or the attitude that has been widely attributed to them, is incomprehensible.

SOCIALISM

When that wonderful panacea for human ills known as socialism comes to pass, and nobody possesses anything and everybody possesses nothing, what will then happen?

Will Comrade Forgan be removed from the bank and sent to the potato field in overalls, and will Comrade Po-

zinski be called from coal digging to the bank's presidency, or shall we dispense with banks and fuel and potatoes?

Will Comrade Jones sweep and dust the store and wash the windows for Comrade-Manager Smith, will it be vice-versa, or perchance will there be no stores to raise such problems?

Will Comrade Farrell draw lots with Comrade Dickenson to see which shall take the peril and strain of driving the locomotives and which the safety and comfort of riding in the coach, or shall we abolish trains?

And if automobiles are to be tolerated who will be privileged to use them and who will be required to build them?

Who will fire the factory boilers and who will fire the men who loaf on the jobs?

Who will crush rock and lay asphalt for paved streets for others to enjoy, or shall we go back to nature and have no paved streets?

Until the wizard State turns out enough bathtubs and hot water plants for everybody, who is to go without?

Will Comrade Kopok stand for eating from a dinner pail while Comrade Piper sups from a red-table cloth and Comrade Ford from damask, or will it all be self-service?

Who will raise the wheat and pigs and casaba melons, and who will eat them?

Will children carry to school their own benches or will carpenters make seats for them, and who will do the menial jobs of tending furnace?

Who will have porterhouse and who will have the rump, or will we have only fish?

Who will wear the silks and satins and who will wear calico, or will there be only gingham and no choice of color?

Who will have the white collar jobs and who the others?

Who will give orders and who will receive orders?

Who will live in the mansions and who in the huts while the State replaces both with a standard house, the same for all?

Will everybody have fur-lined gloves in winter and silk hose in summer, or will it be mittens and cotton socks?

And will Comrade Attaboy shine Comrade Goldbergs' shoes when the latter goes to the ball game?

The answer is simple: Ask the Proletariat.

Today's Poem

EDMUND VANCE COOKE

FIRST FROST

When summer surrenders
And Autumn's lost splendors
Are flung to the winds in the haste of retreat,
When Winter advances
His keen pointed lances
And summons the world to his conquering feet.

O, then as I flaunt him
And flout him and taunt him,
And laugh at this bluster and warning his
weather,
My warm spirit brightens
As he which it whitens,
As my breath and Winter's breath battle
together.

O, sing me no number
Of sybaritic slumber
Of soft-cuddled ease at its languorous flood,
But send me that single
When fire and frost mingle
And the tart tang of Winter sings into my blood.

GERMANY LOOKS TO UNITED STATES

(By Carl D. Groat)

(United Press Staff Correspondent)
Berlin.—It can be said that Germany as a whole, despite its dislike of the 14 Points, looks with more favor on a working arrangement with America than with England. In the contest between England and America for supremacy on the seas, Germany's sympathy is unquestionably with America.
The German is convinced that, despite the fact that America has not concluded peace with Germany, there is a spirit in America favoring business relations and the rebuilding of German economic life. On the other hand, Germany feels that France, who has concluded peace, is working unsparsingly for economic destruction of Germany for France's own ends. This feeling has been strengthened by Millerand's recent journey through the occupied Rhine territory, by evidence that Gen. Lerdorf in Upper Silesia was operating favorably toward the Poles, and by the fact that France was opposing German participation in the Geneva conference.
Germany is anxious to participate in the Geneva conference, in order to know how to regulate its affairs. Through Geneva, it expects clear decisions which permit of shaping definitely for the future rather than drifting along aimlessly without a clear understanding of what the entente will impose on her.

The expense of the maintenance of the French army on the Rhine until last March amounted to nearly two billion francs.

Army nurses are accorded the same obedience from enlisted men and patients in military hospitals as is accorded commissioned officers.

The capital of Germany, now known as Great Berlin, comprises eight cities, 15 towns and 27 rural districts with a population of 4,669,669.
During the World War, 25 death sentences were inflicted on American soldiers by general court martial.

HEALTH TALKS

BY WILLIAM BRADY, M. D.
Noted Physician and Author.

Dr. Brady will answer all signed letters pertaining to health. Writers' names are never printed. Only inquiries of general interest are answered in this column, but all letters will be answered by mail if written in ink and a stamped, self-addressed envelope is enclosed. Requests for diagnosis or treatment of individual cases cannot be considered. Address Dr. William Brady, in care of this paper.

Physical Education in Schools

Twenty minutes each day are devoted to the education of the usually neglected muscles "below the eyebrows," writes a Pittsburgh public school teacher. And in addition, she informs us, "there is a ten or fifteen minute period of whys and wherefores listed in the curriculum as hygiene."

The great trouble with hygiene, in the Pittsburgh curriculum, is that the school authorities harbor a notion that it is an insignificant or unimportant subject to be sandwiched in between more essential subjects such as geography and botany. They don't try to teach arithmetic or history in ten or fifteen minute periods of whys and wherefores in Pittsburgh, I'll wager.

But that twenty minutes of physical education each day is something like. They're beginning to wake up and look around in Pittsburgh, beginning to suspect that a sound body is just as important as a sound mind.

The teacher goes on: "Every session has its recess of fifteen minutes, which means thirty minutes a day, at which time the playground becomes a circus ring. How about a record of six feet standing broad jump and one of four feet high jump for children from eleven to fifteen years of age? Girls take part, too; they want to."

Now that is something like! EVERY session has its fifteen minute recess. And forty teachers and mollycoddle school principals, please study the Pittsburgh plan.

The teacher isn't quite through yet: "When weather prohibits play out of doors the windows are opened and the room used."

Some children cartwheel and others somersault home. . . . Come to 'Hilltop Beautiful' and see our healthy youngsters chinning, walking on their hands, jumping double rope and performing other stunts which I have not time to enumerate."

What's the matter with Pittsburgh below the eyebrows? Nothing much.

Physical education hasn't progressed appreciably in our public schools the past five years. It has been pushed forward on paper but it is still a bore to the uneducated teachers and more or less a joke to the children who are obliged to "take" it. It will always remain a bore just as long as the instruction is in the hands of a physically uneducated teacher or as long as a woefully inadequate staff of instructors in this vital department is deemed sufficient for the thousands of school children.

What a farce it is for the geography or arithmetic teacher to read over a syllabus or listen to a few chalk talks on physical education and then attempt to serve as physical instructor! It is heart-breaking to see such a performance, the instructor making a sorry bluff at the exercises in her corset and other trappings, and the children with tongue in cheek trying hard not to laugh at the ridiculous spectacle.

QUESTIONS AND ANSWERS

Fake Orange Juice

Mothers are warned by the U. S. Public Health Service to beware of numerous fake orange beverages on the market. These are usually sweetened, carbonated water colored to imitate orange juice and flavored with a little oil of orange peel. Often they are labeled with pictures of oranges or other devices calculated to mislead the thoughtless purchaser. The Bureau of Chemistry of the U. S. Dept. of Agriculture has ruled that the terms "ade," "squash," "punch," "crush" and "smash" used with the name of a fruit can be applied legally only when the beverage contains the juice or edible portion of the fruit named. Of course the fake orange preparations lack the vitamins for which real orange juice is prescribed in infant feeding.

Sewer Gas

Is there any odor from sewer gas, and is there any danger of sewer gas leaking, in case of faulty plumbing, for instance from a kitchen sink? (C. V.)
ANSWER—Even though sewer gas, should escape into the house there is no danger to health. Disagreeable odors are more likely to come from uncleaned or unventilated drains.

Left-handed Children

There are in my beginning class several left-handed children. Some of the parents assume me that all sorts of nervous wrecks are caused by teaching such children to use the right hand for writing. Is there anything in that idea? (P. E. M.)

ANSWER—Yes, it is unwise to try to convert natural left-handedness into artificial right-handedness. There seems to be some reason to believe that such forced transference is responsible for stuttering and other difficulties of education. Why interfere in such a matter? Is a right-handed person blessed with any advantage over a left-handed one?

Teaching the Child

Please inform me where I can obtain the book "How Shall I Teach My Child," by Mrs. Woodall Chapman. (Mrs. H. L.)

ANSWER—The book is published by Revell, New York City, 30 cents and recommended to parents of children 6 to 12 years of age by the Public Health Service and various health departments. Perhaps you can find it in the public library.

Violent Ray Playthings

Is the violent ray apparatus offered by — likely to prove beneficial to the general health or strength? (F. L. W.)

ANSWER—Rather less so than a pleasant walk or a game of checkers.

TWENTY-FIVE YEARS AGO

Friday, Nov. 8, 1895

Attorney Moses Hooper of Oshkosh was in Appleton on business.

John Flannagan of the Kaukauna Sun called on friends the evening previous.

The new paper mill at Stevens Point was expected to be making paper the following week.
The number of inmates at the soldiers' home at Waupaca was stated to be 327 of whom 226 were men and 101 women.

The Misses Anna and Minnie Grunert were visiting friends at Stevensville.

Dispatches stated that the northern part of the state was covered with snow to a depth of several inches.
The fact that the Patten, Fox River and Kimberly-Clark companies were operating steam engine plants gave employment to a large number of additional men.

Among those who were to appear on the Modern Woodmen program the following Tuesday evening were Paul Biefield, Frank Pierce, Mabel Wolcott, Mrs. Max Mayer, Sara Parks, Humphrey Pierce and the Rev. John Paville.

The body of John Ellenbecker of Center, who was killed by falling into a cellar, on Second avenue, was taken home for burial.

Farmers in the vicinity of Rat River marsh in the town of Clayton retained Attorney Bouck and Hilton of Oshkosh to sue the Wisconsin Railway company to the amount of \$3,800, the value of 380 tons of hay burned the previous week.

D. B. Bailey was selling rolled oats at three cents a pound or ten pounds for twenty-five cents.

Standing room was at a premium at the presentation of "Imogene" at Columbia hall the night previous.

Nuts.

By Frederic J. Haskin

Washington, D. C.—At this time of the year there is ripe for harvest one of the least used and appreciated of American food crops—that of the nuts, wild and tame.

The nut has fallen into such sad disrepute in this country that the very word has come to be figuratively applied to humans who are slightly difficult for society to assimilate. Nearly everyone regards nuts as indigestible. They are therefore given no regular place in the bill-of-fare, but are always tucked onto the end of it. This is a place where they are admirably calculated to maintain their reputation for indigestibility. For nuts are a rich and heavy food, and are not in the least suited to be eaten on top of a lot of other nourishing food. They could much more appropriately take the place of meat, for they are rich in fat and contain a good deal of protein. They are great energizers. To get the most out of them they need only to be chewed thoroughly and to be eaten with other lighter foods in order to form a balanced diet.

No doubt an enormous food resource goes to waste in the wild nuts that are never gathered, but it is doubtful whether it would pay to do the work of gathering them in most places. Down in Texas the wild pecans are gathered regularly and a thousand carloads of them, or more, are shipped out of the state every year, so that they constitute a real source of wealth for the Texans.

A few carloads of chestnuts used to be shipped out of western Maryland every year, but the rapid spread of the chestnut blight has about put an end to that industry. The department of agriculture is experimenting in increasing their native chestnut with a Japanese variety, which is somewhat more resistant to the blight, and there is a hope that the chestnut may be saved as an orchard tree in this way, but the great wild groves of chestnut are dead or doomed.

The Black Walnut.

There is not much need for mourning over the chestnut, however, when there are other fine native nuts which thrive perfectly and which are almost wholly neglected. The black walnut is a case in point. It is a fine, rich nut of excellent flavor, and grows over a large part of the United States, from southern New England to Florida in the east and from Minnesota to Texas in the west, while there is a special variety on the Pacific coast. The black walnut tree will grow on waste lands which will support little other timber. It is an admirable shade tree about the house and along roads and fences. It is also one of the most valuable timber trees native to the United States.

It is this latter fact that doomed it. The pioneers cared little about the nuts and much about the timber. Hence the trees were cut down ruthlessly. This has not only made it a relatively scarce tree, but has destroyed much of the stock from which an improved nut might have been derived. For wild nut trees, growing in the woods, seldom yield a valuable crop. The stock of the trees that bear the best nuts must be selected and propagated. In this way larger nuts with thinner shells and better flavor are slowly produced by selective breeding. While older and more thoughtful people were thus improving their native nut trees, Americans were destroying theirs. As a natural result,

THE QUESTION BOX

(Any reader can get the answer to any question by writing The Appleton Post-Crescent Information Bureau, 137 N. Washington, D. C. This offer applies strictly to information. The Bureau cannot give advice on legal, medical, and financial matters. It does not attempt to settle domestic troubles, nor to undertake exhaustive research on any subject. Write your question plainly and briefly. Give full name and address and enclose two cents in stamps for return postage. All replies are sent direct to the inquirer.)

Q. Can birds of paradise and cigarettes be sold and worn in the United States? R. J.

A. The Bureau of Biological Survey says birds of paradise may be worn and sold in the United States. It is, however, against the Federal law to import birds of paradise into the United States. It is against the law to buy or sell or possess cigarettes except any cigarettes which may have been purchased prior to July 3, 1918, in which case one may retain such cigarettes, but it is against the law to sell same.

Q. Is the Saint Lawrence River particularly deep? J. P. McL.

A. At its mouth, the St. Lawrence is 1200 feet deep. This is caused by the sinking of the land in that part of the world, the valley of the St. Lawrence having been submerged. A depth of 60 feet extends up the river halfway to Quebec, and the river is nearly 100 feet deep as far as that city.

Q. Has the sale of war supplies brought in much money? B. A. M.

A. The War Department says that surplus property which originally cost \$1,000,000,000 has been sold for \$630,000,000.

Q. How much will a cord of green pulp wood weigh? O. D.

A. The Forest Service says that the weight of a cord of green pulp wood varies from five thousand to six thousand pounds, depending upon the kind of wood.

Q. If the Old Testament was written without vowels being indicated how and when were there vowel points added? W. R. P.

A. The ancient Hebrew text in which much of the Old Testament was written did not contain vowels. It will be noticed that some modern systems of shorthand are also written without vowels, these signs being understood by students. However, much confusion owing to the different interpretations resulted, and in the sixth century a class of learned Jewish doctors at Tiberias added the necessary vowels and fixed the text which became the basis for all further translations.
Q. Have translated a French book into English. Have I a right to publish it without infringing on the rights of the author? J. W. P.

A. The Copyright Office says that

While we think of it---

wouldn't this be a pretty good time to buy a Hirsch-Wickwire Winter suit so that in November 1924 you could look back and say "this is the suit I bought the week Harding was elected—and it has held its own like Stonewall Jackson."

We have known Hirsch-Wickwire suits to go two terms without a tear—but some folks argue that 4 years is enough for any one pattern or president.

Special Values at \$50 to \$75 ready now in the sort of materials that quiet dressers make such a holler about.

Young men's novelty patterns too—we never tire of cutting up.

Palace Candy Shop and Tea Room

An interesting musical program was enjoyed by the music department of Women's Club at regular meeting of that organization at three o'clock Thursday afternoon at the Vocational school.

Miss Maud Harwood sang a group of Indian songs by Charles Wakefield Cadman. "From the Land of the Sky Blue Water," "The White Dawn is Stealing," and "Far Off I Hear a Love's Flute."

Two negro melodies, "Carry Me Back To Old Virginia" and "Massa Dear" were sung by Mrs. H. W. Meyer Jr. Mrs. Eric Lindberg played "Chopin's Polonaise, No. 5," which concluded the program.

Fancy Dress Party

Mrs. Mildred Boettcher, 774 Sampson street, entertained the active and pledges of Sigma Alpha Iota sorority at a fancy dress party Thursday evening. Miss Viola Zimmermann, Beaver Dam, won the prize in a guessing contest. A feature of the evening

Makes Shaving a Joy

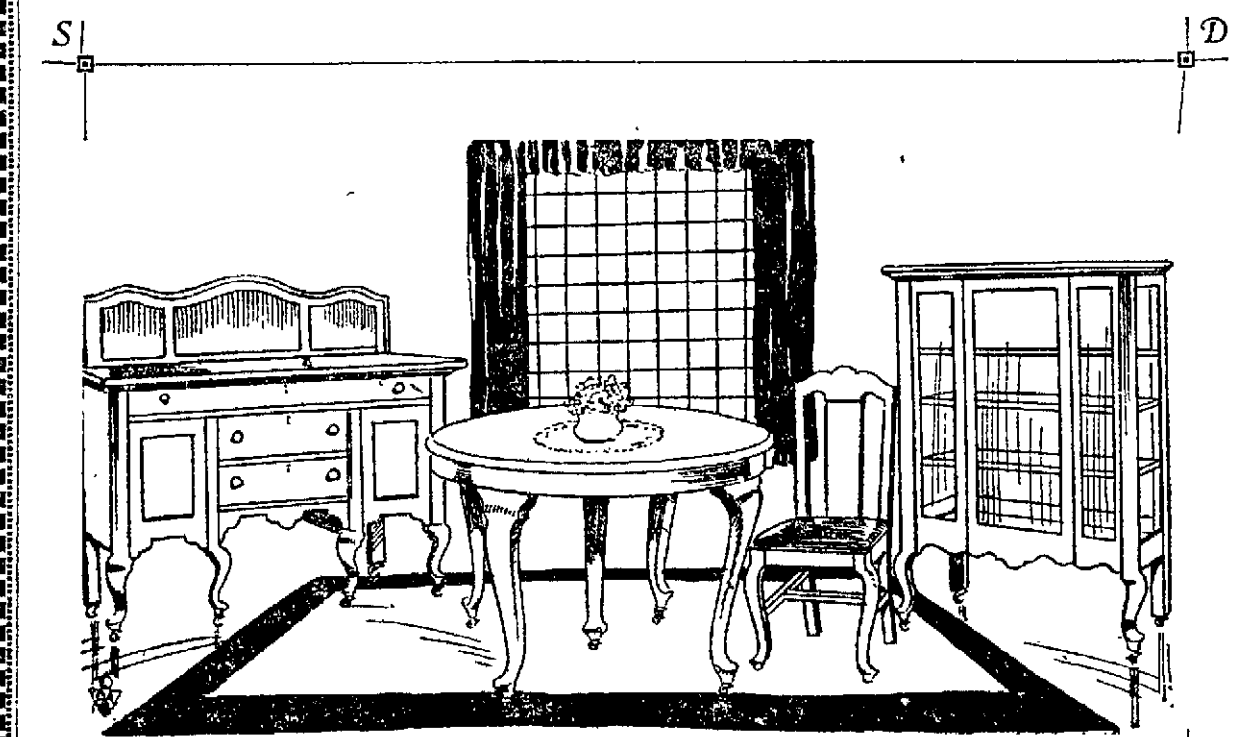

Delicine takes away that stinging and sting. Clean scented and healing its effect is delightfully cooling and soothing. And it leaves no unpleasant stickiness.

Delicine is not like an ordinary hand lotion. It was first made and used by a physician as an antiseptic curative lotion. It combines soothing, cooling properties with those of a mild but effective germicide.

At your druggist's

You Buy Dining Room Furniture But Once in a Lifetime.

—or at least you should buy it once in a lifetime if you make the proper selections when you purchase your original outfit. And then, you cannot change your dining room furniture from one room to another as you can do with other parts of your household equipment. It is always dining room furniture and it must be discarded entirely if you decide to replace it at some future time.

For these reasons you should furnish the dining room with one complete suite and not with odds and ends that you may happen to pick up here and there and everywhere.

Such a suite will last as long as you care to use it and will always be in good style and taste.

Just at present we have an especially strong line of these complete dining room suites.

Suites in Mahogany or Walnut \$300.00 to \$800.00

Saecker-Diderrich Co.

Col. Ave. & Oneida St.

was a mock wedding, in which Lolo Fluk, Antigo, was the bride; Valeria Schneider, New Holstein, the groom; Viola Buntrock, Embarras, the minister and Viola Zimmermann, Beaver Dam, the flower girl. Mrs. H. K. Pratt, Appleton, played the wedding march. Mrs. Eric Lindberg and Viola Buntrock played piano solos. Each of the guests performed a stunt appropriate to the character she assumed. Dainty refreshments were served.

Wedding Anniversary

Mr. and Mrs. Robert Hildebrandt, 884 College avenue, entertained about thirty friends at their home Wednesday evening in honor of their fifth wedding anniversary. The evening was spent at cards and dice, prizes going to Earl Vande Bogart, Edward Ward, Mrs. William Groth and Mrs. Joseph Rankin. A chicken supper was served at midnight. Among the out of town guests were John Sigl, Hortonville, Mr. and Mrs. Walter Sigl, New London, and Mrs. Louis Hildebrandt and daughter, Wausau.

Thanksgiving Dinner

The Girl's Club will entertain at an informal Thanksgiving dinner party, Nov. 26 at the armory. Stecker Brothers orchestra will furnish the music. Those in the receiving line will be dressed as Puritans, English ladies and Indians to represent the

life of the time of the first Thanksgiving.

The armory will be decorated in harmony with the season. The committee is composed of Genevieve Diderich, Pauline Hoffman, Esther Ashmann and Irene Heiss. Floor, program and punch committees are actively planning for the event. Tickets may be secured from any member of the Sports Council or at the club rooms.

Recital Program

The program for the joint faculty recital of Winifred Wilson Quinlan, soprano, and Frank Taber Jr., organist, to be given at Lawrence Memorial chapel at 8:20 o'clock Monday evening is as follows:

1. Se tu m'ami, se sospiri—Pergolesi.
2. Si je pouvais mourir—Barbieri.
3. The Disappointed Serenader—Brahms.
4. Sonata No. 5—Guilmant.
5. (a) Allegro Appassionata (b) Adagio (c) Scherzo (Mr. Taber)
6. Ah, Je veux vivre (Roméo and Juliet)—Gounod.
7. (Mrs. Quinlan)
8. (a) Toccata and Fugue in D Minor—Bach.
9. (b) Romance Sans Paroles—Bosset.
10. (c) Piece Heroique—Caesar Franck.
11. Now is the time for making songs—James H. Rogers.
12. Cherry Blossoms—Charles Willeby.
13. Across The Hills—Walter Morse Rummel.
14. Song of Sunshine—Florence Turner Maley.
15. (Mrs. Quinlan)
16. (a) Lamentation—Guilmant.
17. (b) Humoresque "L'organo primitivo"—Yon.
18. (c) Toccata—Boellmann.
19. (Mr. Taber)

Study Art and Music

The "Kollo Club" has been organized by a group of Lawrence Conservatory girls who are not affiliated with other societies. The club will take up a course of modern artists and musicians under the supervision of Mrs. L. A. Brigham. Paul Althouse will be studied shortly before he appears in concert here.

College Club Reorganizes

The O. E. S. Club at Lawrence, which is composed of the college girls who are members of the Order of the Eastern Star, has reorganized. Mildred Fulton, Kaukauna, was elected president; Helen Williams, Virgona, vice-president; and Erma Henry, Fort Atkinson, secretary-treasurer.

Forms Dancing Class

Miss Adalaine McKee, physical director for the recreational department of the Woman's club, is organizing

izing two classes in folk and aesthetic dancing; one for girls of high school age and one for children, below fourteen years of age. The classes will probably meet Saturday forenoons.

Odd Fellow Meeting

The Initiatory degree will be put on at the meeting of Konicmic lodge No. 47 Independent Order of Odd Fellows, Monday evening at the Odd Fellow hall. Encampment No. 16, of the Independent Order of Odd Fellows will meet Wednesday evening at Odd Fellow hall. The Patriotic degree will be put on.

Observe Anniversary

Mr. and Mrs. Edward Knight entertained five couples at a seven o'clock dinner Thursday evening in honor of their fifth wedding anniversary. Dishes played following the repast and prizes were won by Mrs. Anton Van Dyke of Niagara, and Mrs. Henry Guckenberg.

Marriage Licenses

Applications for marriage licenses were made Friday to Herman J. Kamps, county clerk, by William L. Tyler and Ida Berzill of Shiocton, and Ernest A. Turton and Nina L. O'Connell of Appleton.

St. Joseph Society

The regular meeting of St. Joseph society is to be held at 1:30 o'clock Sunday afternoon at St. Joseph hall. Routine business will be transacted.

67 Tables in Play

The Lady Eagles broke all records at their card party Thursday afternoon, when 67 tables were in play. Prizes were won by Carl Kochenka, Mrs. Louis Gitter, Miss Mayne Schweitzer, A. Rebbin and Mrs. A. Harp.

Neighborhood Club

Mrs. W. F. Bailey, 438 505 Street, entertained the Neighborhood Club at cards Thursday afternoon. Honors were won by Mrs. W. C. Fish, Mrs. M. Peters and Mrs. Louis Kaphingst.

Club Chorus Rehearses

The regular rehearsal of the Woman's Club chorus, which was at four o'clock Thursday afternoon at the Lawrence Conservatory of Music, was followed by a short business meeting.

Linen Shower

The Misses Rose and Gertrude Besch entertained twenty friends at a linen shower at their home at 647 Walnut street Thursday evening in honor of Miss Nina O'Connell. Games were played and lunch was served.

Entertains for Sister

Miss Leona De Guire, 705 Fremont street, entertained ten couples for supper Thursday evening in honor of her sister, Miss Germaine De Guire of Milwaukee. Games and dancing furnished amusement in the evening.

Dinner Party

The pledges of Alpha Gamma Phi sorority will entertain the actives at a dinner party at the home of Miss Irene Morse, 460 College avenue, Friday evening.

Marry at Menominee

Announcement has been received here of the marriage at Menominee, Mich., Monday of Miss Mildred Latimer, daughter of Mrs. William J. Latimer, Washington street, to Joseph St. Louis. The couple is living in a local hotel.

Attend Dance

A number of Appleton young people attended the dance given at St. Joseph's Thursday evening by the auditorium association. A special orchestra furnished the music.

Will Present Play

The Dramatic Club of the recreation department of the Woman's Club will present the play "The Maker of Dreams," by Oliphant Nov. 23 before the Woman's Club, Nov. 23.

Sorority Initiation

Kappa Alpha Theta sorority will hold initiation services at the home of Miss Mathilde Harriman, 626 Rankin street, Friday afternoon. The initiates are Gladys Bagg, Appleton and Mary Wright, Antigo.

Informal Party

Theta Phi Fraternity will entertain actives, pledges, alumni, patrons and friends at an informal dancing party at the Elk Club Friday evening.

Ceremonial Meeting

The Camp Fire Girls will have a

GEENEN DRY GOODS COMPANY

NEWS OF INTEREST FROM COUNTY AND STATE

REJECT SHOEMAKER CLAIM FOR \$15,100

New London Council Refuses to Assume Blame for Attack on Speaker.

(Special to Post-Crescent)
New London — At a recent meeting of the city council the claim of Francis H. Shoemaker for \$15,100 for damages on July 25, was, upon the advice of the city attorney, disallowed. Attorney Arthur Le Sueur of St. Paul represents Shoemaker. Shoemaker claims that on July 25 while he was giving a speech in his automobile at the side entrance of the postoffice a mob of masked men pelted him with eggs and dragged him into the street where he was beaten and bruised. The personal injuries, a fractured rib, bruises on body, legs and arms and strained ligaments he valued at 5,000; for defeat as a candidate for congress, injury to reputation, disgrace and humiliation \$5,000 and \$5,000 for physical and mental suffering. The remaining \$100 represents damage to auto and clothes.

Mrs. George Rhode of Milwaukee has returned to her home after making an extended visit in this city. Mrs. Rhode was a former resident here. A party under the leadership of Miss Eleanor Thompson left this city Saturday for Florida to visit the Okaloosa Lake bed and see the splendid opportunities which the climate and the fertile soil of the south afford. Many men from Waupaca county have already purchased land in Florida. A family reunion was held this

APPLETON MAN ATTENDS WAUSAU SOCIETY WEDDING

Wausau—One of the most pretentious weddings of the fall season occurred here when Miss Norma Edmonds, daughter of Mr. and Mrs. William L. Edmonds of this city became the bride of Kenneth Finney Lawson of Menasha. The Rev. Richard Evans officiated at the service at the First Methodist church. Southern smilax, palms and large bowls of chrysanthemums beautified the church and white ribbons torned the aisle for the bridal party.

The bridesmaids were Miss Ariene Edmonds, Appleton, cousin of the bride, Miss Helen Lawson of Menasha, sister of the bridegroom, Miss Ethelyn Lindley of Chicago and Mrs. William Connor of Laona. Miss Josephine Caldwell of White Rock, S. D., was the maid of honor.

Herbert MacKinnon of Menasha was best man, and Robert Patterson of Appleton, Orville Kissell of Hartford, Phil Weber of Racine, Pierce Lawson, Jr., of Menasha, and Charles and Hobart Edmonds were groomsmen.

week at the home of Mr. and Mrs. James Puritt, attended by their sons, daughters and grand children. The Misses Eliza, Ethel and Fern Puritt, Roy Puritt, Mr. and Mrs. R. Meyer, Dean came from Eland and Mrs. Vesta Puritt Edminster came from Mukwonago.

LA CROSSE MAN IS HEAD OF TEACHERS

B. E. McCormick Is Elected President of Wisconsin Teacher's Assn.

Milwaukee.—B. E. McCormick of La Crosse was elected president of the Wisconsin Teachers' association Thursday afternoon. Lillian McCormack of Superior and P. S. Hyer of Whitewater were nominated for the executive committee.

"Americans are realizing that the importance of education is greater today than ever before," said P. P. Claxson, national commissioner of education, addressing the grammar school section at its meeting in Juneau hall of the Auditorium Thursday afternoon.

Duties of Citizenship

"It is easy to educate in an aristocracy; it is very difficult in a democracy where every child must be made into a citizen capable of taking a share in the conduct of the government. It is of the greatest importance today to teach our children to understand the duties and responsibilities of citizenship so that they may have that kind of patriotism which lasts after the bands have ceased to play and the flags to wave—real Americanism."

While the general trend today seems to be toward specialization and development of the individual in citizenship all must be educated alike; there must be equality of opportunity for the development of whatever there is of good. In this country education

HARRISON CHAIRMAN ELECTED TO ASSEMBLY

(Special to Post-Crescent)
Darby—Mrs. Ernest Luniak was called to Hibernia by the death of Mr. Volmer last week Thursday.

Miss Mildred Dietzler spent a few days with her cousin Miss Genevieve Dietzler at Green Bay.

George J. Schwalbach, chairman of the Town of Harrison, was elected by a large vote as Member of Assembly.

Mr. and Mrs. George Schaefer and daughter Elaine, Mrs. Margaret Van Vorst spent Sunday with Mr. and Mrs. George Wirtz at Brillion.

The Lane Electric Co., of Little Chute installed electric lights in the home of Mrs. Jacob Dietzler.

Herman Van Vorst was in Milwaukee on Wednesday for a few hours business.

Edward Feldmeyer of St. Cloud called on friends and relatives here last week.

Mrs. Minnie Rohloff of Hollandtown spent a few hours here on Wednesday with Misses Hannah and Mary Kewenaw.

Miss Gertrude Emmons is at Catawba visiting her sister, Mrs. Kempen.

Walter Bloomer of Milwaukee spent a few days with Mrs. Margaret Wittman and family.

Mr. and Mrs. John Green of Freedom, spent a few hours on Sunday with Mr. and Mrs. Barney Dieringer.

The Holy Angels Congregation will hold a general meeting on Sunday, after services, in the school hall.

preparing for the work of life, not only culture or refinement.

"The most remarkable thing in the educational history of the world is the development of the high school in the United States in the last few years. There are five times as many high school students in our country today as there were twenty years ago."

SCHOOL PRANK TO WIND UP IN COURT

High School Boys Face Punishment for Breaking Into School Building.

Kenosha—Eighteen Kenosha High school building Monday night and "boots" as a result of the decision reached by the school board to call them into Municipal court for their prank of breaking into the high school building Monday night and stacking the books of students in the assembly room. They did several hundred dollars worth of damage.

The boys and their parents were invited to meet with the school board Wednesday night. All of the boys appeared, but only three of the parents. The board in consequence voted to allow the cases to go to court and all of the boys will be brought before Judge Tully.

Five of the eighteen did the actual breaking into the building, while the other thirteen served as lookouts to warn them of approaching danger.

Practically all of the boys have confessed their part in the prank that has lost its funny side.

An interesting development was that one of the constables in the school government, who has said the "students went too far," was forced to take back his statement on a threat of being tarred and feathered.

All of the boys are leaders in the school. And the prank is said to be the fact that they frequent a local pool room and hatch up such mischief.

ENTERTAIN BLACK CREEK SUNDAY SCHOOL CLASSES

(Special to Post-Crescent)
Black Creek—Mrs. William Kopelke entertained the Golden Rule class of the Methodist church and Miss Mildred Rohm entertained the fifth and sixth grades of the local school at a picnic Saturday afternoon. A large bon-fire was made and supper served.

Mr. William Stutzman has been very ill the past week.

Miss Elfreda Zuchke and Miss Lucile Walch visited relatives in Cecil over Sunday.

Ms. and Mrs. J. A. Haire of Weyauwega spent Saturday and Sunday at the Lee Potter and William Kopelke homes.

Miss Clara Kopelke is employed as clerk in the G. A. Braemer store.

Mrs. J. J. Laird and Mrs. H. V. Shauger held a Halloween party Saturday evening at Good Templar hall for the boys of the Methodist Sunday

Monroe Clothes

New York Styles America

Monroe Clothes New York

The Seal of Satisfaction

The Monroe Label guarantees you satisfaction and the price ticket attached to each garment is the nation-wide guarantee of standard Monroe Clothes Prices.

SUPREME

Where Style Rules

Monroe Clothes are bought by New York men more than any other kind. New York styles America, so when New York men single out Monroe Clothes as their choice from a wide range of styles and makes, it is logical to assume that here is the clothing thoroughbred.

That's our opinion—and that's why we sell them.

We know they give the very maximum in style and value—and we assure you that nowhere can you equal them in price. See Monroe Clothes and judge for yourself.

7 Per Cent Assured Dividends

Free from Normal Federal Income Tax and about 80% free from Wisconsin Income Tax

\$2,000,000.

Aluminum Goods Manufacturing Co.

(NEW JERSEY CORPORATION)

7% Cumulative Preferred Stock

Par value \$100. per share

Authorized—\$4,000,000 To be presently issued—\$2,000,000

This is a Class "A" Security under the Blue Sky Law of Wisconsin

Dividends payable quarterly on the first of January, April, July and October in each year. Redeemable, in whole or in part, at the option of the company, at any time after three years from the date of issue upon thirty days' notice, at \$105. per share and accumulated dividends. The company however, must on or before July 1, 1924 and on or before July 1 in each year thereafter purchase or redeem at \$105. per share, at least 5% of so much of the preferred stock then outstanding as shall have been issued at least three years prior to such date of purchase or redemption.

CAPITALIZATION

(After completion of present financing)

	Authorized	Outstanding
7% Cumulative Preferred Stock (this issue)	\$4,000,000	\$2,317,200
Common Stock	8,000,000	6,250,000

SECURITY

The attractiveness of any security is the assured soundness of the company issuing it. The Aluminum Goods Manufacturing Company has during a period of twenty-six years grown to be one of Wisconsin's strongest and largest industrial organizations. In its own field it is one of the largest in the world.

GROWTH AND PRODUCTS

A consistent growth has marked the development of the company. Its policy has ever been to temper enthusiasm with judgment—a judgment based on the calm review and analysis of past experiences. Its products, known and used both nationally and internationally, are looked upon as the standard in that particular industry.

A KNOWN ORGANIZATION

To the people of the surrounding territory, the Aluminum Goods Manufacturing Company is no stranger. Its development, policy, products, in fact the very moulding of its entire organization is a record of fair dealing, progressiveness, quality products, modern merchandizing methods and sound business principles.

A Personal Statement

"It is with genuine pleasure that I personally recommend this 7% Cumulative Preferred Stock."

"To those wishing to invest their money in a gift edge security yielding a high and positive return, I know of no better opportunity and I have no hesitancy in giving it my unqualified personal endorsement."

"I say this with confidence. Being closely associated with the Aluminum Goods Manufacturing Company almost from its inception twenty-six years ago, I understand the consistency and soundness of its growth, its earning power and future possibilities."

GEORGE VITE,

Pres. and Gen. Mgr.

YOUNG AND YOUNG

FOUR YEAR TERMS FOR MAIL THIEVES

Neenah Young Men Plead for Clemency Before Milwaukee Court.

Joseph Boehm and Fred Geisler, both of Neenah, were sentenced to serve four years in the federal penitentiary at Fort Leavenworth, by Judge F. A. Geiger of Milwaukee on Thursday when they pleaded guilty to charges of rifling the United States mails and stealing \$10,000 in currency and a number of bonds from registered mail. The currency was being transferred from the First Wisconsin National bank of Milwaukee to the bank at Neenah.

Plead for Clemency
Practically all the money and the bonds have been recovered and the plea for clemency made by the young men were based on this fact and the fact that they both have been the main support of their mothers. Geisler, in a quivering voice told of his service with the Thirty-second division in France and dwelt on the fact that he had been working hard to continue his education at a Milwaukee school.

According to Assistant District Attorney David Sondel the mail pouch containing the letters had been taken from the Northwestern station at Neenah. Boehm left Neenah for Bay City, Mich., where his sweetheart was working and it was in that city that he was captured.

Married at Waukegan
Geisler also left Neenah, coming first to Appleton, where he met the girl who is now his wife. Together they went to Waukegan and were married. It was said, going from there to Buffalo, where they lived together at Fred Koch and wife.

The district attorney told of the search made for the money and told how it had been dug up in the basement of the Geisler home. Currency not held by Geisler was found on the person of Boehm. Of the money stolen, it was said, Geisler has failed to deliver the whereabouts of \$1,000, which he is said to have given to some person for safe keeping.

Auto Driver Fined
Arthur Auquette was arrested Thursday morning by Detective Joseph Schindler for driving his automobile past a street car while it was discharging passengers. He appeared in court and was fined \$10 and costs, amounting to \$13.20 in all.

PLAN REVISION OF TEACHER FUND LAW

Senator Kuckuk Arranges for Hearings on Retirement Fund Law.

State Senator Antonio Kuckuk, Shawano, who was re-elected over C. B. Sullivan on Tuesday, has announced a number of hearings on the state teachers' retirement fund law within the next few weeks in order to obtain data for revising the law so that it will meet teachers' needs more adequately. One of these hearings is to be held in Oshkosh, Wednesday, November 17, for teachers from this district. Mr. Kuckuk has requested that all who wish to attend this hearing notify him at his home in Shawano so that the work can be facilitated.

At the annual state teachers' convention in Milwaukee was quite generally agreed that there are many defects in the present retirement fund law which must be corrected if the fund is to adequately take care of teachers who have grown old in the service. It was contended that almost the entire burden now rests on the teachers themselves, that the state is giving very little to the fund.

Mr. Kuckuk who is chairman of the retirement fund committee holds that these defects can be remedied and he has arranged for the hearings in order to learn what the teachers want. His report to the teachers said that the committee has investigated that complaint and criticism and that it has studied teachers' retirement fund laws in other states with the view of embodying the most desirable features in the Wisconsin law.

His report presented an analysis of the present law indicating that it embodies the following principles:
It is the duty of the state to deal with the problems of disability and superannuation among teachers in the public schools.
The cost of providing for retirement must be divided between the state and the teachers.
The teachers who have grown old

in service should be adequately provided for, although their service was rendered prior to the establishment of a retirement fund.

Membership in the fund should be made a condition of employment in the service.
Conditions of retirement should be elastic to meet all possible individual

WHY HAVE RECREATION FOR GIRLS? See Survey Exhibit at Red Cross Community Show for the Answer, Armory, Nov. 13.

circumstances and should give greater benefits to those who render longer service.
Teachers who are separated from the service have rights which must be recognized.
Compulsory contributions entitle members to representation in management.

Heals Running Sores and Conquers Piles

Also Stops All Itching of Eczema Almost Immediately

"I felt it my duty to write you a letter of thanks for your wonderful Peterson's Ointment. I had a running sore on my left leg for one year. I began to use Peterson's Ointment three weeks ago and now it is healed."—A. C. Gilbrath, 705 Reed Street, Erie, Pa.
I'd rather get a letter like that, says Peterson of Buffalo, than have John D. Rockefeller give me a thousand dollars. It does not a lot of good to be able to be of use to my fellow man.
For years I have been selling through druggists a large box of PETERSON'S OINTMENT for 35 cents. The healing power in this ointment is marvelous. Eczema goes in a few days. Old sores heal up like magic. Piles that other remedies do not seem to even relieve are speedily conquered.
It stops itching in five minutes and for scalds and burns it is simply wonderful. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y. adv.

Factory Patrons Elect
Patrons of the Springbrook cheese factory, town of Grand Chute, held a business meeting Thursday evening. George Kuckuk was elected chairman, Adolph Muttart, secretary, and Peter Fleming, treasurer. A. C. Wirth was re-elected cheese maker. Other matters relating to the business were discussed.

Basketball Games
The Vocational school basketball teams will play Friday evening at the Y. M. C. A. Tournament games will be played between the five teams.

Inheritance Taxes
Fred Bachman, administrator, paid to Louis Petersen, county treasurer, Thursday, \$15.01, which represented the inheritance tax on the estate of Albert Beitz. Fred T. Fiesmann, administrator, paid an inheritance tax of \$22.50 on the state of Charlotte Krueger.

Must File Accounts
Saturday, Nov. 6, is the last day provided by law for filing election expenses with the county clerk. So far very few candidates have filed their expense accounts.

Report Completed
The annual report of John A. Lonsdorf, county assessor of incomes, on which he has been at work for several weeks, is now in the hands of the printer and will be ready to submit to the county board at the opening of the annual meeting at the courthouse next Tuesday. It will be one of the most interesting reports ever filed with that body by a county official.

Hike Down River
Troop No. 5, Appleton Boy Scouts, will hike down river Saturday morning, returning in the afternoon early enough to go on duty at Lawrence field when the football game is on. The boys will assemble at Soldier Square at 7:30 o'clock in the morning.

Just Received: Two Cars of Stove Coke.

FIND BUSINESS UP TO USUAL AVERAGE

There Is Little Sign of a Slump in Some of City's Leading Plants.

There has been practically no slump in a majority of Appleton's manufacturing plants, despite such a condition elsewhere.

"We are running about as usual," stated G. E. Buchanan of the Appleton Wire Works. "We have received a few cancellations from concerns that believe the markets will drop, but we have plenty of work for our entire plant for some time to come. There is no sign of a slump here."

The new two-story addition of the plant has been occupied, and several of the looms moved from the former warehouse are in operation. Two new looms are being built and will be

NO TRUTH IN REPORT OF CUT IN MILL WAGES

The report circulated on the street the day after election that notice of a ten per cent reduction in wages had been posted in some of the paper mills of the Fox river valley contains no truth so far as can be learned.

Inquiry was made at the offices of several mills Thursday, but those interviewed knew nothing about the notice and were not aware that the report was in circulation.

If followed up the report could undoubtedly be traced to someone dissatisfied with the result of the general election.

installed within a few weeks to take care of increased business.

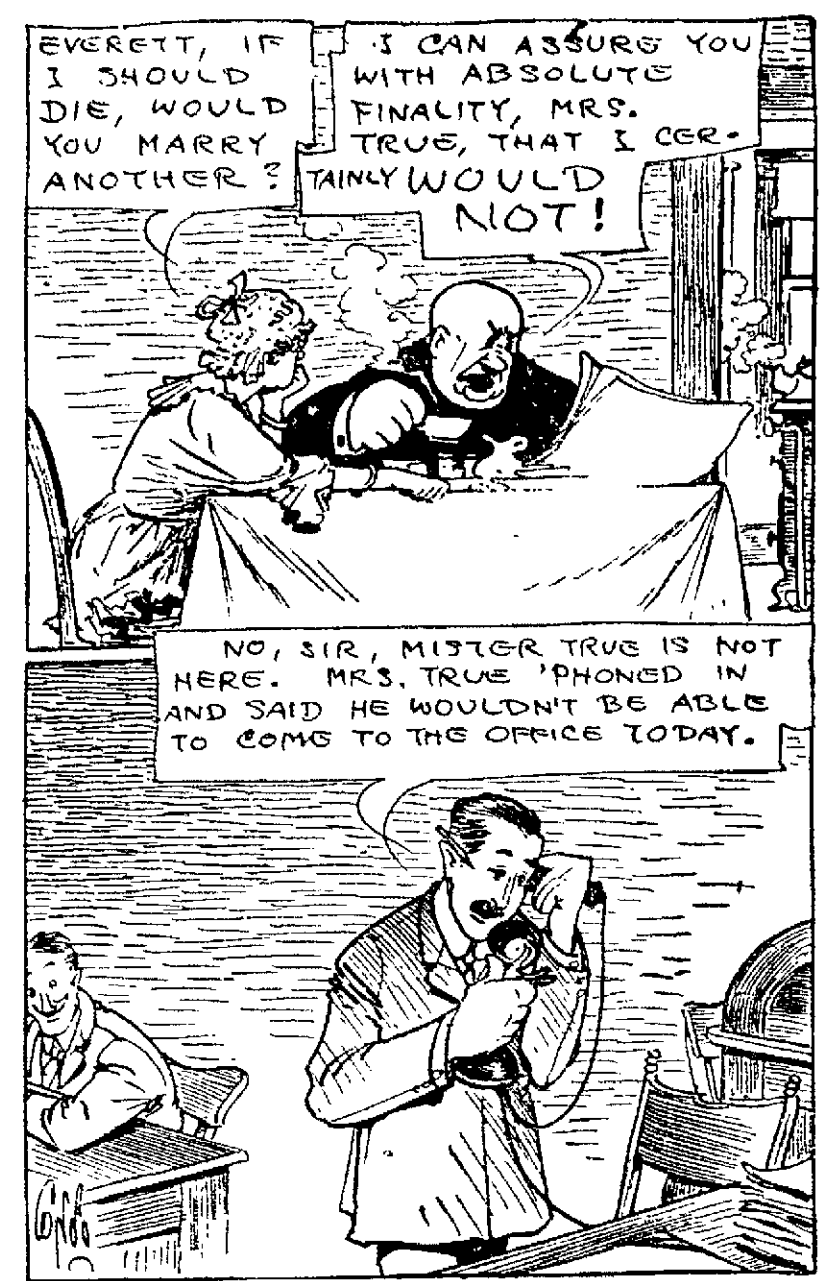

"We are running full time and are using our entire force," said Robert Schmidt of the Standard Manufacturing company. "Demand for building materials always slumps about this time of the year, but we turn our efforts to cabinet and store work, and usually keep quite busy. We look for a busy winter."

Mr. Schmidt stated that the price of plate glass has dropped about 10 per cent, probably because the automobile factories are not using as much. This will perhaps induce merchants to order new store equipment, because they are sure of having their orders filled.

Build Pickle House
The striking machinists of the Eagle Manufacturing company appear to be expecting a long siege. The pickets who were stationed in a tent opposite the factory are just completing a wooden shed which will be equipped with a stove, and will be used in place of the tent. There is no indication of a break in the existing deadlock.

The Stage

Appleton Theatre
"Take It From Me," the three-act musical comedy, direct from its six months' run at the 44th Street Theatre at New York is the attraction at the Appleton Theatre on Wednesday, November 10.

It is the work of Will B. Johnston, well-known New York newspaper cartoonist, who has completely succeeded in transferring to the musical comedy stage a number of real characters which he discovered and elaborated out of the dull incidents of everyday life. Such delightful music, such delicious comedy, such magnificent stage pictures, are seldom combined in one musical piece, and the exceeding attractiveness of it all is enhanced by the excellent company in the various roles and the beautiful "Kiss-Me" chorus girls.

The original New York company of seventy will be seen here, including John Hennings, Richard Mack, Beatrice Bradner, Edgar Gardiner, Alice Hills, Harry Burnham, William Balfour, Marjorie Sweet and the Gardiner Trio.

FARMER GIRL KILLED WHILE HUSKING CORN

Tomah, Wis.—An odd accident occurred at the farm home of Oliver P. Kelly near the western border of Monroe county when by Beatrice, the youngest daughter, was instantly killed. The fatality happened in the following most unusual manner. Two daughters, Verne and Beatrice, were husking corn in the barn when the father, after unloading his wagon, hauled it out of the barn door. A projecting plank was caught in one of the wagon wheels and one end struck Miss Beatrice on the head as she sat at work in her chair. The force of the blow was so great that she was instantly killed.

Repair Breaks

The break in the water main on Lake street, opposite the street car barn, was repaired Wednesday evening and the one on South Island street opposite the plant of the Appleton Superior Woolen mills will be repaired next Sunday.

THREE COUNTIES WILL SHARE NEW SANATORIUM

Watertown.—The Dodge county tuberculosis sanatorium is to be shared with Fond du Lac and Washington counties. This decision, which has been long delayed, was announced by supervisors of Dodge county, the selection of the 74-acre tract for the purpose near Fond du Lac having been made by Dr. Coon of the Pine River sanatorium. For nearly a year the supervisors of the three counties have been endeavoring to agree upon a location for the erection of the sanatorium which will cost about \$400,000. The erection of the building will start the first thing next spring. The sanatorium will be located six miles south of Fond du Lac and on the Soo line near Hamilton.

Scout Committee Meets

A regular monthly meeting of the executive committee of the Boy Scouts of America will be held at Hotel Appleton next Monday evening and will be preceded by a six o'clock supper.

During the administration of Ruthenford B. Hayes no intoxicating liquors were served in the White House.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.
And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain. Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use.

GOOD SCHOOL WEEK IN COUNTY SCHOOLS

Make Special Effort to Stimulate Interest in Better Schools.

"Good School Week" will be observed in all the rural schools of the county during the week of Nov. 14-20. The general aim of the week is to focus public attention on education and develop public sentiment in favor of better schools.

Among the specific aims are to secure school attendance, to insure satisfactory health conditions in schools, to provide adequately trained teachers and to make possible a high school education for every child.

A. G. Meating, county superintendent of schools, will mail to teachers within the next few days copies of the program which they are expected to carry out. The work for each day will be given in detail. The teacher will be requested to call

KEMP'S BALSAM
will stop that cough, Bill. My mother gives it to me when I get a cough and you don't hear me coughing all the time.

Why Are Skin Diseases So Difficult to Overcome?

When your skin breaks out with itching eruptions, tetter, rash, eczema, psoriasis, or other terrifying disorders, temporary relief will do you but little good, for soon all the itching and irritation breaks out afresh with renewed fury, and you soon realize that local remedies such as ointments, salves and similar treatment will never rid you of your trouble. These troubles originate in the blood, and if you expect real substantial relief you must treat them through the blood. The best remedy for this purpose is S.S.S., the fine old blood remedy that purifies the blood of disease germs, and thus restores the skin to a normal and healthy condition. Begin taking S.S.S. today, and soon realize that local remedies such as ointments, salves and similar treatment will never rid you of your trouble. Address Chief Medical Adviser, 161 Swift Laboratory, Atlanta, Ga.

Your Husband Will Agree
that mother never baked as good bread as you get from this bakery. The fine flavor, the lightness will prevent him from tiresome reference to mother's baking. Try a loaf and prove it. No better bread was ever baked.

PATTEN SAWMILL TO BE READY BY END OF YEAR

Good progress is being made on the new saw mill of the Patten Paper company which it is expected will be ready for operation by the end of the year. One of the warehouses west of the company's paper mill is being converted into the new plant. It has been greatly enlarged and strengthened by heavy timbers and a second story added for the manufacture of studs and spokes. A large number of logs cut from the company's land in the northern part of the state is already on the ground. They will be sawed into lumber, hubs and spokes, fence posts, railroad ties and stove-wood.

a meeting of parents toward the end of "Good School Week" for the purpose of discussing the subjects which the children studied, each pupil having taken home with him a written summary of the day's program.

FARMERS THANKFUL FOR RECENT FALL OF RAIN

The recent rainy spell did more good than harm, in the opinion of Outagamie county farmers. Plowing had been a difficult task because of the continued dry weather, and few had hopes of finishing this fall because of approaching cold weather. Not only did abundant rain fall, but Jack Frost has kept his distance and the weather man has donated some balmy weather. Most farmers expect to complete their plowing this week.

POULTRY FAIR AND DANCE
HAMPEL'S CORNERS SUN., NOV. 7TH. MUSIC BY SHALBERG'S JAZZ ORCHESTRA.

Complete Warehouse
The new warehouse for Swift and company is nearly completed and will be ready for occupancy within a few days. A section crew has started work on a sidetrack from the main line of the Chicago and Northwestern railway.

Here Is a Fine Laxative For a Little Baby
Millions of Mothers find Dr. Caldwell's Syrup Pepsin safe for infants
WHAT young mother has not often asked herself the question, "What is the best thing I can give my baby for constipation?" It is a very important question, as constipation is the basis of most ills of infancy and childhood. Give half a teaspoonful of a combination of simple laxative herbs with pepsin. You can obtain it at any drug store under the name of Dr. Caldwell's Syrup Pepsin. It is a mild, gentle medicine that children willingly take, and a bottle that costs only sixty cents is enough to last an average family several months. Dr. Caldwell's Syrup Pepsin has been used by millions of mothers, for the prescription has been sold in drug stores for thirty years. It is the same prescription Dr. W. B. Caldwell, who is now in his 82nd year, used in his extensive practice for half a century. It is the largest selling liquid laxative in the world. Last year eight million bottles were bought in drug stores. You can make no mistake in giving Dr. Caldwell's Syrup Pepsin to your baby. **TRY IT FREE** Send me your name and address and I will send you a free trial bottle of my Syrup Pepsin. Address me Dr. W. B. Caldwell, 513 Washington St., Monticello, Illinois. Everybody now and then needs a laxative, and it is well to know the best. **WRITE ME TODAY.**

INDIAN GIRL IS FOUND TO BE DEAF

Red Cross Nurse Makes This Discovery and Arranges Treatment.

The nurses of the Outagamie Red Cross chapter find numbers of children who are suffering from ailments or physical defects. Parents sometimes mistake the trouble for something else, do not realize its extent, or do not believe it curable.

An interesting case developed recently at the Oneida reservation. A ten year old Indian girl made no progress in school, never seemed to understand anything

Is a Merry Widow

"Soon after my husband's death 9 years ago I was taken with typhoid fever. Since then have suffered from stomach and liver trouble and constipation. I have doctored a great deal without benefit. Since taking Mayr's Wonderful Remedy three months ago my bowels have moved regularly and I am feeling well again. I am now a happy woman." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.—All druggists.

REALTY TRANSFERS

Among the real estate transfers recorded at the office of register of deeds Thursday were: John L. Jacquot, trustee of the Louis Jacquot estate, to David Hodgins, land in Horton; consideration, \$350; Henry VanSusteren to George F. Look, land in Vandenbroek, consideration, private; Mary Lickator to Emil A. Vercauteren, et al., land in Oneida, consideration, \$1,000.

that was said to her, and was thought by those about her to be stupid. The attention of Miss Bertha Schultz, county nurse, was called to the little girl. Believing that the child was suffering from some ailment not previously detected, Miss Schultz gained the parent's consent to take Nellie to Appleton for examination. A physician found that she was totally deaf but could speak. The girl was mentally bright.

Miss Schultz has applied for the girl's entrance to the state school for the deaf, where she will be trained in the language and ways of the deaf and dumb so as to overcome her handicap.

Half of the proceeds from the Red Cross roll call which starts November 11 is used in Outagamie county for health and other social work such as this girl's case. A 1920 membership equaling or exceeding last year's is needed to continue these activities.

Sell Poorer Cabbage

There is still a large amount of cabbage being brought to Appleton for shipment, despite the prevailing low price of five dollars a ton. Producers are said to be storing all they can until the market strengthens, but find large quantities that are not fit for storage. It is rumored that the price will advance to \$10 a ton within the next month.

SOFT BROWNS AND BLUES MERGE IN VOILE BLOUSE

(By Cora Moore)

New York.—The vogue of figured fabrics has brought out some very worthy blouse innovations of which one excellent example is illustrated. Its material is indestructible, voile in a pattern which is not a pronounced figure, but vague browns and soft blues on a background of wood

shades, and, therefore, it can be worn with a skirt of almost any material or color.

The back, as shown, comprises a plaited panel, bloused a bit over a ribbon belt which threads it and then passes over the front which, also, is plaited but falls below this belt. A row of brown silk-covered buttons,

Official Proceedings

Council Chambers, Appleton, Wis., November 3rd, 1920, 8:30 p. m.

Council met pursuant to regulations, Mayor Hawes, presiding.

Roll call; all Aldermen present. Reading minutes of previous meeting was, upon motion, dispensed with.

The Committee on Finance reported that they had examined accounts from No. 781 to 899, inclusive, in the sum of \$39,028.69, and recommend that same be allowed as charged.

Resolved, That the report be adopted, the accounts allowed and the clerk instructed to draw orders for the several accounts.

On motion to adopt, the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

Application for loan of \$12,000.00, by the App. High School Board, was presented.

Resolved, That the application be granted, the loan made and the clerk instructed to draw an order in favor of the treasurer of the App. High School in the sum of \$12,000.00.

On motion to adopt, the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

City Clerk presented report showing disbursements of the several departments in the past six months together with an estimate of the amount required to carry the city to April 1st, 1921. Same was referred to the Committee on Finance.

Committee on Public Grounds and Buildings recommend the placing of a railing on the north and south side of doorway to City Hall, said work to be done under direction of committee.

On motion same was adopted.

Committee on Poor reported and recommend that an increase of \$200.00 per annum be made to keeper of Poor Farm.

Resolved, That the report be adopted, the increase be made, same to take effect at once.

On motion same was adopted.

Application of M. Mednikow for transit-merchant license, M. Elukowitz, junk-dealer license, Rainbow Club and Twente Weenie Club for dance licenses, were presented and upon motion same were granted.

Petition for water main on Mason street was received and referred to Committee on Fire and Water.

Communication of App. Water Commission was received and ordered placed on file.

Petition residents of Fourth Ward in the matter of fire engine house was ordered filed.

Committee on Fire and Water reported and recommend that the petition for water main on Atlantic street be not granted and that the following be granted:

Parkhurst street north from Brewster, Summer between Meade and Lawa street and DeForest avenue from Richmond street 300 feet west.

On motion to adopt, the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

Resolved, That a service main be placed on Locust street, from Harris street 180 feet south.

On motion to adopt, the ayes and nays were called, all Aldermen voted aye, adopted and so declared.

Plans and specifications for Fire House in Fourth Ward were presented.

Resolved, That plans and specifications be adopted, the work ordered done and the clerk instructed to advertise for bids.

On motion same was adopted.

R. S. Powell and H. A. Schmitz were placed in nomination as members of the App. Water Commission.

First ballot: R. S. Powell received 8 and H. A. Schmitz 4. It was moved and carried that the ballot be declared unanimous in favor of Mr. Powell and Mr. Powell was declared elected a member of the App. Water Commission, vice A. H. Meyer, resigned.

Hls Honor, the Mayor, appointed Homer Benton a member of the Free Public Library Board.

On motion, unanimously carried, appointment was confirmed by the Council.

Resolved, That the Water Commission be and is hereby authorized to make application in behalf of the city to the Railroad Commission for an increase in its schedule of water rates.

On motion same was adopted.

On motion Council adjourned.

E. L. WILLIAMS, City Clerk.

BREAKS A COLD IN A FEW HOURS

"Pape's Cold Compound" Instantly Relieves Stiffness and Distress

Don't stay stuffed-up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks up a severe cold and ends all grippe misery.

The very first dose opens your clogged-up nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness, sneezing, soreness and stiffness.

"Pape's Cold Compound" is the quickest, surest relief known and costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—Inslat upon Pape's.

Mrs. Ralph Hendrew of Waukegan, Ill., autored to Appleton Friday.

Mrs. William Fountain is visiting friends at Milwaukee.

Miss Josephine Hench, who is teaching school at Spencer, visited her parents, Mr. and Mrs. Robert Hench, 553 South River street, Thursday while on her way to the teachers' convention at Milwaukee.

A. J. Hall, city chemist, has gone to Iowa City, Iowa, to attend a convention of bacteriologists.

Miss Emma Stern of Bonduel has accepted the position of bookkeeper for the Appleton Roofing and Hardware company.

Anton Ulrich submitted to a slight operation at St. Elizabeth hospital Thursday.

Mr. and Mrs. William Dobbs and children of Green Bay were guests of Appleton friends Thursday.

Advertise For Bids

At the meeting of the Appleton water commission Monday afternoon Fred Morris, secretary, was instructed to advertise for bids for a carload of fuel oil instead of being instructed to order one as was reported in the proceedings of the meeting.

Lady Montague and Nettie Adler Jewesses, have been appointed city magistrates of the greater city of London.

False Alarm

A false alarm took the fire department to the Pettibone-Peabody company store Thursday morning. The pressure on the water tank used in the automatic sprinkler system became too low, causing the automatic alarm to sound.

Fireproof barrels, made from sugar mill refuse, have been invented in Hawaii.

Seen under a powerful magnifying glass an unstropped razor blade looks like a saw edge

Stropping keeps the tiny teeth of the blade in perfect alignment—provides a smooth, keen edge for every shave

A safety razor and stropping device combined in one

YOUR own particular shaving difficulty—doesn't it really revert to a dulling razor blade?

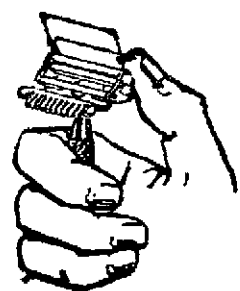

That annoying pull when the razor fails to cut cleanly—the painful scraping that often results when you bear down too hard—the bother and expense of putting in a new blade every so often—all these troubles can be traced directly to a razor blade that has lost its first keen edge.

No shaving edge can keep its original keenness for more than a few shaves—not without stropping.

Stropping—that's the real secret of shaving comfort!

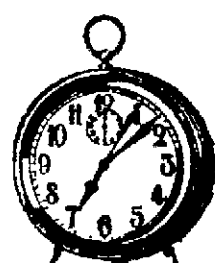

Look at a razor edge under a microscope and you will see hundreds of tiny saw teeth. More than 1500 of these teeth have been counted on an ordinary safety razor blade. Shaving bends these saw teeth out of line, makes them irregular. These irregular teeth catch in the beard, pull the tiny hair follicles and scrape the skin. That's what usually makes shaving so unpleasant, so annoying.

You don't need to put up with the discomfort of fast dulling blades—nor with the bother and expense of putting in a blade every so often. You can insure a fresh, keen edge for every shave if you use the AutoStrop Razor.

Like the leaf of a book

The AutoStrop Razor blade opens for cleaning like the leaf of a book. To clean, simply rinse and dry. No parts to unscrew—nothing to take apart and reassemble. The same lever that releases the blade adjusts it for close or medium shave.

You can shave in 3 minutes

In 10 seconds you can renew the fine, keen edge of the AutoStrop Razor blade. It takes less than half a minute to dry the razor after using. With the AutoStrop Razor you can get a complete shave—cool and comfortable—all in 3 minutes' time.

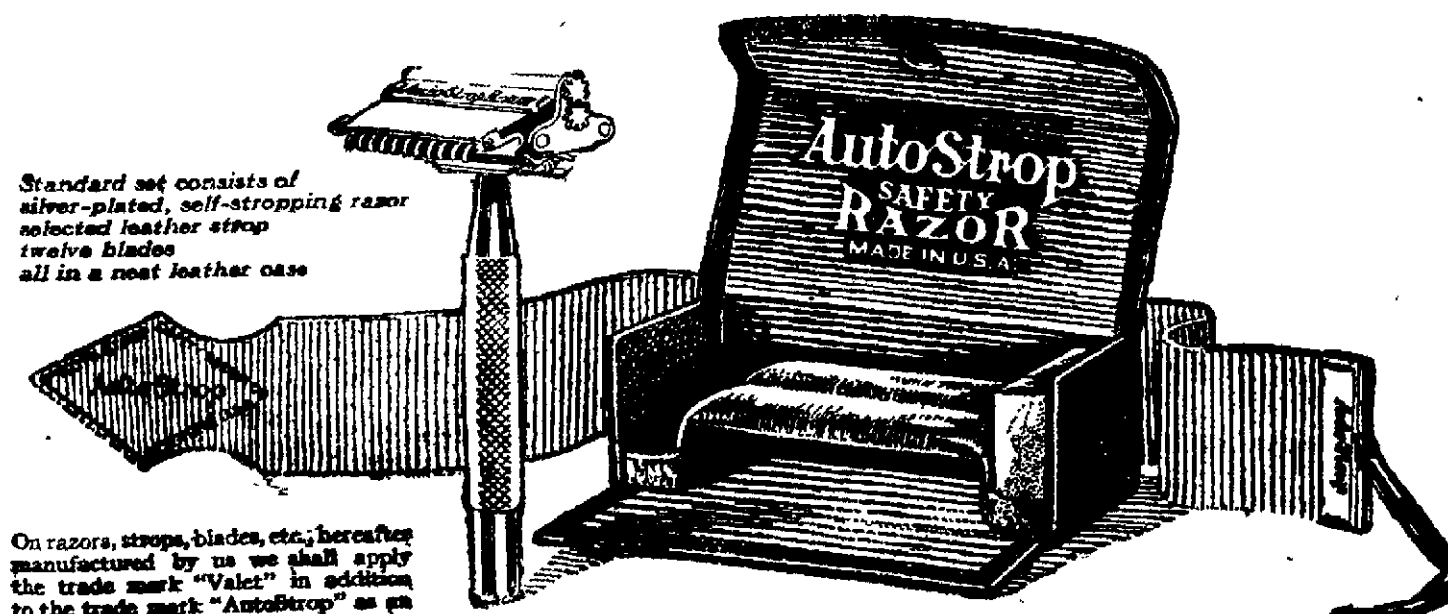

A new, sharp, shaving edge every day

Built right into the frame of the AutoStrop Razor is a remarkable self-stropping device—simple and efficient—which renews the fine, keen edge of the AutoStrop blade day after day.

You don't have to take the razor apart nor even remove the blade. Just slip the strop through the razor head, and move the razor back and forth along the

strop. In 10 seconds you have a new, sharp, shaving edge. 500 cool, comfortable shaves are *guaranteed* from every dozen AutoStrop blades.

Don't put up any longer with the pull and scrape of unstropped blades. Begin tomorrow to get the comfort of a "new," sharp, shaving edge every morning. Ask your dealer about the AutoStrop Razor trial plan.

Standard set consists of silver-plated, self-stropping razor selected leather strop twelve blades all in a neat leather case

On razors, strops, blades, etc., hereafter manufactured by us we shall apply the trade mark "Valel" in addition to the trade mark "AutoStrop" as an additional indication that they are the genuine products of the AutoStrop Safety Razor Co., New York.

AutoStrop Razor — sharpens itself

LECTURE SERIES TO BE CONDUCTED BY TRADE BOARD

Business Experts Will Discuss
Taxation and Other
Problems Here.

FIRST MEETING NOV. 17

Internal Revenue Department
to Send Tax Expert Here
on That Date.

A series of five or six lectures on business subjects will be conducted for the people of Appleton by the chamber of commerce. There will probably be one a month.

The first two will deal with federal taxation. Burt Williams, internal revenue collector for Wisconsin, has promised to send W. H. Sprague, chief field director for the state, for the evenings of November 17 and December 15.

Mr. Sprague's first lecture will deal with the income tax of corporations.

SESSION ICE CREAM

Try This Week's Special
"Dark Secret"
INGRAHAM & SIMON
Appleton Street

and other business houses. He will explain penalties, returns and other angles. The second will be confined to the individual income tax and will show the average salary earner how to compute his tax and fill out his blanks properly.

Mr. Williams explains in his letters to Secretary Corbett that his department wants to offer every possible co-operation to the people of Wisconsin so income tax matters can be adjusted with little misunderstanding or friction. He wants to prevent taxpayers from being delinquent because of lack of knowledge on the subject, and also wants to avoid the necessity of punishing anyone.

Speakers for the remaining subjects will be furnished by Archibald Harris and Company, Chicago. Auditing, organization, systematizing and business management will probably be taken up in separate gatherings. The exact dates are to be set later, and the chamber will also decide whether dinners will be held, or evening meetings only.

This series of lectures will be entirely separate from and additional to the regular membership forum meetings held about once a month. The expense of bringing the speakers here will be borne by the chamber of commerce, but the meetings will be open to everybody who wants to attend, regardless of whether they belong to the chamber or not. There will be a chance for open discussion at each gathering.

FORESTERS TO HOLD HOUSEWARMING PARTY

Invitations will be issued in a day or two for the formal opening of the new club house of Appleton court No. 132, Catholic Order of Foresters, which takes place at 7:30 o'clock Thursday evening, November 11. The committee in charge, headed by C. E. Mullen, has the arrangements made for the largest assembly hall held by its members.

The court aims to have the largest assembly hall held by its members, and members of the Ladies Auxiliary and their families are expected to attend. There will be an old-fashioned card party at which bridge and schafkopf will be played. There will also be one or two short talks by officers, and a luncheon is to be served.

ADMIT TEN NEW MEMBERS IN MISSIONARY SOCIETY

The Woman's Missionary Society of the Trinity English Lutheran church met Thursday afternoon at the home of Mrs. C. Toller, 550 Franklin street. Ten new members were received into the society.

The program consisted of a talk on "Education in India", by the Rev. F. L. Schrockenberg, and a piano solo by Miss Helen Hanson of Racine. Refreshments were served after the program.

The next meeting, on the first Thursday in December, will be held at the home of Mrs. G. W. Kaufman.

DEATHS

JENKEL FUNERAL

The funeral of Fred Jenkel of Center will be held at one o'clock Friday afternoon from the house and at 1:30 from the Ellington Lutheran church.

The Rev. E. Redlin will conduct the services.

JOLLEY FUNERAL

The funeral of Mrs. Mary Jolley, who died Wednesday, will be held at 1:30 o'clock Friday afternoon from the home of Mrs. John Van Rysin, 1078 Third street. Services will be conducted by the Rev. I. R. Wood. Interment will be made at Riverside.

Births

A son was born Thursday to Attorney and Mrs. C. G. Cannon, 1 Brookway Place.

A daughter was born Thursday morning to Mr. and Mrs. Henry Pelzer, Summer street.

Submits to Operation

Master Henry Schuetter, eleven year old son of Mr. Karl Schuetter, 425 Walnut street, submitted to an operation for appendicitis at St. Elizabeth hospital Sunday and his condition Friday afternoon was reported to be very favorable.

OBSERVE ANNIVERSARY OF BLACK CREEK CHURCH

Special services in commemoration of the fifth anniversary of the dedication of Emanuel Lutheran church in the village of Black Creek will be held at the church Sunday morning and afternoon. The Rev. John Renschel, Woodville, is to deliver a German sermon at 10 o'clock in the morning, and the Rev. Mr. Uetzman of Wrightstown will speak in English at 2:30 o'clock in the afternoon. Ladies of the congregation will serve a chicken dinner at noon.

A novel fly-swatter has two wings which are snapped together to catch an insect in flight.

Every household
should have a jar of
Resinol
to heal skin troubles

Minor skin troubles—itching patches, bits of rash or redness—so easily develop into serious, stubborn affections, that every home-maker should have Resinol Ointment on hand to check them before they get the upper hand. We recommend Resinol for this with the utmost confidence because of its harmless ingredients and its success in healing eczema and similar serious skin diseases.

Resinol Ointment is an excellent healing dressing, too, for chafes, burns and stubborn little sores. Doctors prescribe it. Sold by all druggists.

LEADERS AND MEETING PLACES NEED OF SCOUTS

Four new scout troops of thirty-two boys each was the aim adopted by the troop organization committee of the Appleton Boy Scout council at its meeting Thursday evening at the Y. M. C. A. It was found by the committee that there were plenty of boys waiting to join new troops, but that not enough leaders could be found to take charge of them. Places of meeting are also needed for the new troops. The committee decided to devote its efforts to these two phases first.

PLENTY OF TURKEYS FOR THANKSGIVING DINNERS

Reports from the county are to the effect that turkeys, ducks and geese will be plentiful for Thanksgiving day which is less than three weeks distant. This, however, does not mean that there will be any reduction of prices on account of the increased demand. Some of the meat market proprietors have already placed their orders with farmers for their entire flocks.

Program for Adults
The community night program at the First Congregational church on Friday evening will be for the grown-ups. A matinee was held in the afternoon for children under 16 years. "Teaching for the Moon" will be shown in motion pictures, and there will be a musical program and community singing.

More than 10,000 persons a year are killed in automobile accidents in the United States.

Card of Thanks
We wish to extend our thanks to our neighbors, friends and relatives, for their kindness and sympathy during the illness and death of our daughter and sister Mrs. Frank Kositzke. We also thank Rev. Sauer for his kind words.
(Signed) Mr. and Mrs. Fred Schultz and Family. adv.

Malcolm Fraser Engaged
Mr. and Mrs. A. A. Fraser announce the engagement of their son, Malcolm, to Miss Margaret Flynn, daughter of Mr. and Mrs. Daniel Flynn, Gleason.

The wedding is to take place sometime next spring.

A. A. Fraser is transacting business at Nichols.

MORY'S ICE CREAM

8½ % Interest With Safety

3 Year General Mortgage Gold Notes

Eastern Wisconsin Electric Co.

This Issue Has Been Authorized By The
RAILROAD COMMISSION OF WISCONSIN

MONEY CAN be invested to yield 8½% interest at the present time,—AND WITH PERFECT SAFETY. And because of that fact, the conservative investor, whose first consideration is SAFETY, in justice to himself, ought to know WHY interest rates are high and WHY investment opportunities are greater today than at any time within the last fifty years.

High money rates prevail—money commanding the highest rates of interest since the Civil War. The largest and soundest business institutions in the country are face to face with this condition. And that is the reason WHY these big corporations must issue bonds and notes that yield the investor 7½%, 8% and 8½%, whereas in former years 4½%, 5% and 6% was considered ample. Even Governments must pay the same high rates. Within a short time The Republics of France and Switzerland and the Kingdoms of Norway and Belgium,—four great nations of unquestioned financial soundness, have issued bonds and notes yielding as high as 7½% and 8%.

And because the **THREE YEAR GENERAL MORTGAGE GOLD NOTES** of the **EASTERN WISCONSIN ELECTRIC COMPANY** were issued at this time of prevailing high interest rates, the investor profits by the high interest they yield—8½%.

Consider all the elements that enter into the safety of an investment in these General Mortgage Gold Notes:—

Is the Company successful?
What are its earnings and dividend records?
Is there a steady demand for its services and products?
What is the security behind these Gold Notes?

Then judge the security of this investment by the following severe tests:—

THE EASTERN WISCONSIN ELECTRIC COMPANY is one of Wisconsin's large successful public service companies, serving a thriving, prosperous territory with an estimated population of over 110,000 people. It operates under the jurisdiction of the Railroad Commission of Wisconsin. The Company serves daily with its various forms of public service fifteen Wisconsin cities and towns:—Sheboygan, Fond du Lac, Oshkosh, Neenah, Omro, Oakfield, Calvary, St. Cloud, Huls Crossing, Glenbeulah, Elkhart Lake, Plymouth, Sheboygan Falls, North Fond du Lac and Kohler.

THE EASTERN WISCONSIN ELECTRIC COMPANY has never failed to pay the interest on its \$1,200,000 outstanding 7% Preferred Stock since its organization. Net earnings for the year ended January 31, 1920, were \$463,797.23, or the rate of three times the annual interest charges on this issue of Mortgage Gold Notes after providing for the interest on all outstanding prior bonds.

The demand for the Company's service is steady and ever growing. General business depression which so seriously affects the prosperity of many industrial concerns, has little or practically no effect on the business of a public service company such as the **EASTERN WISCONSIN ELECTRIC COMPANY**. In good times or bad, in busy times or dull, the people of Sheboygan, Fond du Lac, and the other towns served by this company, **MUST HAVE ELECTRIC LIGHT AND POWER** for their factories and homes, and to illuminate their streets. Every day in the year they **MUST HAVE GAS** for lighting and cooking, and they **MUST USE STREET CARS** to carry them to their daily work.

In fact, the actual daily necessities of the thousands of people residing in the territory served by this Company safeguard your investment in these General Mortgage Gold Notes.

Your investment is further secured by a general mortgage covering all of the Company's fixed property, rights and franchises. And that means that in addition to being a direct obligation of the **EASTERN WISCONSIN ELECTRIC COMPANY**, these Gold Notes possess the additional safeguard of having a mortgage behind them as security.

You can now buy these General Mortgage Gold Notes in \$100, \$500 and \$1000 denominations, at a price which will yield you 8½% interest on your money. They mature March 1, 1923. Interest is payable on March 1st and September 1st.

To those persons whose funds are at present earning only a small rate of interest,—or no interest at all,—this opportunity to invest their money at 8½% **WITH SAFETY** will appeal strongly, and more so, when it is doubtful when such high interest yields as this will again be available.

McCoy & Company, with a record of twenty years experience in handling only bonds and notes of unquestionable safety, have purchased \$1,200,000 of these Gold Notes with their own funds, before offering one dollar's worth to the investor.

One-half Million Dollar's worth of these Gold Notes have already been purchased by Wisconsin banks and people residing in the State of Wisconsin. This shows how highly this investment is regarded in your home state.

Over Twenty Years' Experience In Handling Bonds and Notes of Unquestionable Safety

URGES JUNIORS TO JOIN THE RED CROSS

County Superintendent Meeting Wants Spirit of Organization Kept Up.

A G. Meeting, county superintendent of schools, who is also chairman of Chapter School Committee of Outagamie County Junior Red Cross, mailed Thursday a circular letter to all the schools of the county concerning the fourth annual membership drive which opens next week and will continue for two weeks.

He says that service buttons will be sent to all the schools as soon as the application is in. "If you are proud of the part you played in helping some of our juniors to health last year," he said, "show it by earning the right to wear our 1920-1921 badge."

"If you believe in doing your part in civic training thru service see that your school signs up quickly. Chapters will be numbered in the order that applications are received. The Red Cross is the expression of your social responsibility."

"For the fourth time we desire to enroll young America in the Junior army. Why? We do not ask for your quarters this time, but we need each one of you so that we may work together to make this country better in health, better in social education, better in sticking together for anything that furthers the common good. The spirit of organization should not die out. It is the one tangible result of the war."

"The cost of belonging this year is

FORMER APPLETON "Y" MAN KETS PROMOTION

luth. Mr. Varney left here to become vocational secretary of the main Du-luth "Y," and in that office made a commendable record because of his ability to place young men in work for which they were adapted.

A palatial new building, almost as large and as completely equipped as the Appleton structure, will be under Mr. Varney's management. His appointment is an indication of rapid advancement into association work, as his first experience was gained here.

almost nothing. Show your desire to belong by sending forty-five cents to me which pays your school or room subscription to the Junior Red Cross News for one school year."

STATE SUES LIGHT CO. FOR \$180,000

La Crosse Concern Refuses to Install Heat Regulating Device.

La Crosse, Wis.—The state of Wisconsin has started suit against the Wisconsin-Minnesota Light and Power Co. for \$180,000 forfeitures for failure to comply with an order of the railroad commission of Wisconsin requiring installation of thermostats to regulate its central heating plant service in La Crosse. The utility was ordered by the state board to install thermostats in 1918 and again in January, 1919.

The commission order was affirmed by Judge Stevens in the circuit court of Dane county when the company appealed to that tribunal, and a final court order entered in December, 1919. The company was given until April 15, 1920, to comply with the order, but steadfastly refused to install the thermostats.

Finally the railroad commission turned the matter over to the attorney general's department and the suit to recover forfeitures is the result. The company is asked to pay \$1,000 per day penalties for 180 days, from May 2 to Oct. 29, when the action was started.

small audience at Van Den Berg's hall Sunday forenoon.

Mr. and Mrs. John Scholl and daughters, Margaret and d'Esthermao, visited Mr. and Mrs. Hugh Garvey and Mrs. Antone Ellenbecker and family.

Theodore Pennings is spending a few days visiting his son Peter Pennings at Appleton.

Pat J. Garvey and Pat A. Garvey Jr., returned from Charles City, Iowa, where they have been employed all summer. Pat J. Garvey is a member of the Garvey and Weyenberg Construction Co., which had the contract for the road job, finished two weeks ago. Mr. Garvey drove home with his car and found the roads in very good condition.

Mrs. Mike Garvey of Appleton spent several weeks here visiting her daughters, Mrs. Pete Green, Mrs. William Garvey and Mrs. William Van Den Berg.

Mr. and Mrs. Ray Hoeven and children were the guests of Mr. and Mrs. Joseph Rickert Sunday.

Mr. and Mrs. Tony Newhouse entertained the following relatives at a party Sunday at their home.

Mr. and Mrs. Norbert Shea of New London, Mr. and Mrs. Matt Weber and family of Appleton, Mrs. George Garvey and children, Mr. and Mrs. William Van Den Berg and family and Mr. and Mrs. Ryan Huss and family and Mr. and Mrs. William Van Den Berg, Sr.

Miss Hazel Randerson visited her grandmother, Mrs. John L. McCormick, a few days this week.

Mr. and Mrs. William Van Den Berg and Miss Leona Bosman motored to Appleton, Wednesday.

Mrs. John L. McCormick and daughters Rose returned to their home after spending a month with her son, Joseph of Osborn.

Install Gates

The Chicago and Northwestern railway has installed gates at the Morrison and Pacific street crossings, and already has them in operation. Both crossings are handled from one gate tender's station situated about halfway between.

Nearly 31 per cent of the stock of the Pennsylvania railroad is held by women.

Cuticura Soap Will Help You Clear Your Skin

Scars, Chapped Throat, Skin Irritations, Eruptions, Itch, Eczema, Psoriasis, Ringworm, etc.

REMEMBER to ask your grocer for Calumet Baking Powder and be sure that you get it—the Indian Head on the orange label.

Then forget about bake day failures. For you will never have any. Calumet always produces the sweetest and most palatable foods.

It never varies in quality—And now remember, you always use less than of most other brands because it possesses greater leavening strength.

Now Remember—Always Use

CALUMET BAKING POWDER

There is no waste. If a recipe calls for one egg—two cups of flour—half a cup of milk—that's all you use. You never have to re-bake.

Calumet is absolutely sure. In any baking—any time, whether the can has just been opened or whether it is the last spoonful.

Contains only such ingredients as have been officially approved by U. S. Food Authorities—and is the product of the largest, most modern and sanitary Baking Powder Factories in existence.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Columbian Muffin Recipe

4 cups of sifted flour, 4 level teaspoons Calumet Baking Powder, 1 tablespoon sugar, 1 teaspoon salt, 2 eggs, 2 cups sweet milk. Then mix in the regular way.

CHEVROLET

Take a pencil and paper and jot down the features you really want in an automobile.

Include Comfort. Endurance. Economy. Appearance. Convenience. Equipment—all the essentials a car must have to satisfy you.

Bring this list with you and use it to judge the merits of the Chevrolet "PB 40" Sedan.

We ask nothing more than your own opinion based on your own requirements. We will do no more than answer your questions.

It is because of the ability of the Chevrolet to meet tests like this that we are back of it.

It is built to conform to the studied needs and tastes of particular motorists.

When you have inspected it you will see how well it fulfills its purpose—and why.

CLOWNS TO BOOST SURVEY EXHIBIT

Red Cross Will Urge Every Man, Woman and Child to See Displays.

Two clowns, "Ho-Co" and "Ho-U" will make Appleton people believe there is a circus in town Saturday, November 13, when they make their appearance on the streets. They will have something to say to the children and grownups as well.

There will be no circus in town, but the Outagamie Red Cross chapter is to hold a community survey exhibit at the armory that is intended for every man, woman and child in Outagamie county. Attractive booths and picture posters with weeks of research expressed in a few pointed words will be on display. The clowns will link up and down College avenue inducing the Saturday throngs to stop in for a few moments and view the exhibits.

The community survey was conducted early in the summer by public officials and representatives of social, religious, civic and fraternal organizations. Its committees studied every phase of social life in Outagamie county, including health, family wel-

GETS \$250 AN ACRE FOR 40 ACRE FARM IN DALE

Frederick Barfknecht, Jr., has sold his 40 acre farm in the town of Dale to L. A. Niemuth for a consideration of \$10,000 which included the seasonal property. This is at the rate of \$250 per acre and is one of the highest prices ever paid for land in the area. The deed was recorded at the office of the register of deeds Friday morning. Other deeds recorded at the same time were Appleton Brewing and Malting company to John Haug, land in Fourth ward, consideration private, J. J. Martins to Oliver Casey, lot in Kaukauna, consideration, \$300.

fare, recreation, education, moral welfare and others.

The data had to be analyzed classified and finally put into a form brief enough to be of practical use. The Central Division of the Red Cross at Chicago did this work. A community study director, Miss Emma Elmsinger, was sent here to superintend the survey, and she has personally worked with the local chapter since the findings were ready for use. The Chicago office at the same time prepared posters dealing with the results of the survey, together with charts that picture weeks of work at a glance.

The survey findings will soon be submitted to the organizations whose work will be helped by the information, but the public exhibit at the armory will be the first step in applying them locally. The displays will exceed anything ever before offered by the Red Cross in the way of educational material because they portray conditions in Appleton and Outagamie county.

WOMAN'S CLUB TO CUT HUGE BIRTHDAY CAKE

The first birthday anniversary of The Woman's Club will be fittingly celebrated at 7:30 o'clock Tuesday evening at the Appleton high school. A formal program consisting of a pageant of months will be presented in the auditorium after which the clubs will adjourn to the gymnasium for the stunts and party. One of the features of the evening will be a huge birthday cake which Mrs. D. O. Kinsman will cut. Those who care to will take as many pennies as there are years in their age but this is left optional with the members. All members and friends have been invited to attend.

FROSH MUST WEAR GREEN CAPS AGAIN NEXT SPRING

Lawrence freshman will wear green arm bands and caps two weeks in the spring starting March 17 according to an edict issued by the Student Senate. Twenty four frosh are compelled to wear the 'green' a week longer than their fellows this fall, because of delinquency in the matter.

MRS. LAURA RARICK, of Peoria, Ill., who says she believes she is the happiest woman on earth since Tanlac so completely restored her health. Regains 50 pounds, which she lost during a period of ill health which lasted eleven long years.

"I believe I am the happiest woman in the world, and it is all because of what Tanlac has done for me," said Mrs. Laura Rarick, 403 Mendroth St., Peoria, Ill., a well known and highly respected resident of that city.

"I never dreamed that I would ever find anything that would do for me what Tanlac has done," she said. "I was in a wretched state of health and was down in bed so long that I lost fifty pounds in weight, but I have gained back every pound I lost and I now feel as well as I ever did in my life. The indigestion and other troubles that made life a burden for eleven years have entirely disappeared and I am like a new woman."

"My stomach was so disordered that even liquid foods and plain water caused me to have dreadful cramping spells that lasted for hours. My kidneys were disordered and I had pains across my back almost constantly. I had severe headaches nearly every day and became so dizzy I could hardly stand. I was so nervous it was impossible for me to get a good night's sleep. I tried every conceivable medicine and was treated by specialists, but nothing helped me, and finally I was told I would never be well again."

"But Tanlac has made me a perfectly well woman in every way. I can now eat and sleep like other people and I haven't a pain about me."

"I am glad to give this statement, for I want to do all I can to let the world know about this wonderful medicine."

Tanlac is sold in Appleton by John F. Voigt, F. O. Brown, Shotton, Dr. J. M. Seiler, Bear Creek; H. E. Abert, Dale; R. E. Lowell, Little Chute, adv.

PRES. HARRISON'S DAUGHTER TO WED

New York.—Miss Elizabeth Harrison, youngest daughter of the late Benjamin Harrison, president of the United States, and Mrs. Harrison of Indianapolis and New York, is soon to become the bride of James Blaine Walker, Jr., a grand nephew of the late James G. Blaine, secretary of state in Harrison's cabinet and also himself a candidate for president against Grover Cleveland. Miss Harrison is a lawyer and has been admitted to the bar in New York and Indiana. She says her marriage will not interfere with her law practice.

DR. KINSMAN TO HELP DEVELOP WRESTLERS

Dr. D. O. Kinsman, head of Economics department, will assist Coach Atkinson with the Lawrence wrestling squad later in the season. Dr. Kinsman has held several championships and undoubtedly will be a valuable asset to the team.

Carl Olson, member of the squad in 1915 and 1916 will join the squad at the end of the football season. Olson will be instructor and coach at the city Y M C A this year.

Tentative arrangements have been made for matches at New London, Hortonville, Kimberly and Kaukauna. A team developed by Arthur Wundrow captain of last year's team, of American Legion men at Darboy, promises to be hard to beat.

WOULD GIVE TO BILLION FOR PERMANENT PEACE

Chicago.—The United States should make Europe a gift of the way to insure peace on the disarmament basis is the suggestion of William Jennings Bryan.

Bryan said the Europeans should first agree to find some way to end armament before given the money.

"The first problems which the new republican administration must tackle are peace and profiteering," said Bryan.

MANY ENTERED IN POSTER CONTEST

Prizes Will Be Awarded at Safety Massmeeting Saturday Afternoon.

The response to the invitation of the Kimberly-Clark Co. and the Neenah Paper company to grade school pupils to compete in the safety poster contest has been most gratifying, according to information from the company's office. The posters, the best six from each competing grade, were given to the judges Friday afternoon and the prize winners will be announced at the safety massmeeting for children at Lawrence Memorial chapel Saturday afternoon.

The judges are Miss Helen Stimson, E. W. Young, Jay Parrieh, John Fiers, Albert Brunsen, and others.

An excellent program will be presented at the children's meeting which is to begin at three o'clock Saturday afternoon. All children in the fifth, sixth, seventh and eighth grades in public and parochial schools in Appleton, Kimberly and Little Chute are invited. Free transportation will be provided the Kimberly and Little Chute children.

A similar program for children is to be presented in Neenah Monday afternoon for Neenah and Menasha children.

VARIOUS FORMS OF BIBLE STUDY ARE TO BE OFFERED

Several forms of Bible study will be offered to men at the Bible study rally Sunday afternoon at the Y. M. C. A. Men interested in any form of Bible study have a choice of the following: Teacher training; Study of the facts and history; Life of Christ Jesus and how He met life's problems; The Old Testament history; New Testament teachings.

Classes in these courses will be formed and will meet at any time that will suit the convenience of the individuals.

Robert M. Moore, president of Lake Forest college, will speak on "The Value of Bible Study" at the rally Sunday. Mr. Moore was formerly pastor of the Presbyterian church here.

Attend Seymour Meeting

Hugh G. Corbett, William Fountain, chairman of the rural affairs committee of the chamber of commerce, Paul O. Nyhus and Frank Smith will auto to Seymour Friday evening, where they will be guests of the Seymour Chamber of Commerce. Mr. Corbett is to address the members.

FANCY HUCK TOWELS with hem stitched ends—size 20 by 40 inches—monogram design—heavy quality—they are slightly soiled or imperfect. Price of first quality 35c. Sale price of irregulars 25c. GEENE'S adv.

CATARHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or are even just a little hard of hearing or have head noises go to your druggist and get 1 ounce of Parment (double strength), and add to it 1/4 pint of hot water, and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open. Breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one losing hearing or who has Catarrhal Deafness or head noises should give this prescription a trial.

CHEMISTRY STUDENTS ORGANIZE NEW CLUB

Advanced students of the chemistry department of Lawrence College have formed a club, "The Alchemists," for the purpose of stimulating interest in the profession, of studying and discussing chemical problems and of providing programs for the Chemistry club.

Dr. L. A. Youls, Lester Abbey, Reuben Fletcher, Prof. Adelaide Link, and Bernard Braunschweig are the charter members. Ernest Dearth, Edwin Johnson, Max Svarizlow, Winifred Woods, Abner Andrus and Harold Plank will be initiated shortly.

The qualifications for membership in the club are: The member must intend to follow chemistry as a profession, must take advanced courses in the department, must be a member of the chemistry club, and receive the unanimous vote of other members.

NEENAH GIRL AWARDED SCHOLARSHIP IN MUSIC

The Theodore Fresser musical scholarship has been awarded to Miss Lily Sindahl of Neenah. This scholarship is a purse of \$200 which is awarded annually to the most worthy student, one possessing unusual ability and an earnest worker. Miss Sindahl is studying voice under Carl J. Watterman, dean of the conservatory, and is taking the Public School Music course.

CANVASSING BOARD CHECKS UP BALLOTS

ESCH TO DISCUSS HIS RAILROAD LAW

Splendid Opportunity to Get First Hand Information About Railroads.

It is not an every day occurrence for people living in small inland cities like Appleton to have the opportunity of meeting men who play leading roles in dramas of national or world importance. These great men of consequence are generally from the large cities and their services are so much in demand that they seldom have the time to visit the smaller towns.

Perhaps no man in the United States, outside of the president and the presidential candidates, is better known than Congressman John J. Esch of LaCrosse, joint author with Senator Cummins of Iowa, of the "Esch-Cummins" railroad law under which the American railroads are now operating. Congressman Esch will speak at Lawrence Memorial chapel next Sunday evening under auspices of the Appleton Public Forum and will discuss this famous law which has created more discussion than any other legislation of recent years.

Congressman Esch will tell definitely whether the law contains a guarantee for the railroads, as claimed by its opponents—the railroad brotherhoods—or whether it safeguards the interests of the public against rapacious rate fixing, as claimed by its

BULGARIANS LIVE LONGER THAN ANY OTHER RACE

Promotes health and long life. Use it to sweeten the stomach, tone the liver, finish the kidneys and purify the blood. Sold everywhere by druggists and grocers.

Friends. During the campaign which has just closed all kinds of interpretations were put on the law and now comes the opportunity of hearing its explanation from the man who wrote it.

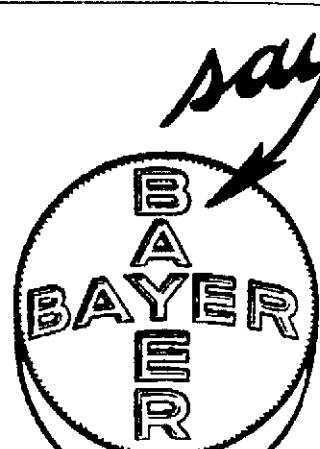

Attorney J. P. Frank will preside at the meeting which is to begin at eight o'clock. The invocation is to be offered by the Rev. W. J. Fitzmaurice, rector of St. Mary church, and the music will be under the direction of E. H. Harwood. No admission fee will be charged and an effort is being made to fill the chapel.

Ushers will be A. J. Ingold, H. B.

Frame, W. H. Burns, R. J. Manser, H. R. Beske, E. W. Shannon, R. Y. Clark, J. P. Frank, H. C. Humphrey, G. Lemke, C. Mullen, J. Hettlinger, J. Plank, H. P. Russell, F. S. Ayres, B. Basing, R. A. Buxton, D. W. Madson, C. Verbrick.

GULBRANSEN Player-Piano

When Good Fellows Get Together

If you want a lively time at your Stag Party, I put a good song roll on the Gulbransen. It will start things going, and very likely uncover unexpected talent. Every fellow likes a chance to do his clog, or a stunt with banjo, mandolin or bones, or at least join in the chorus.

Easy to Play

You will especially appreciate the ease with which you can play a Gulbransen. Its "pedal-touch" is delightful, exquisite. After a few evenings with the new Martin Method instruction rolls you will astonish your friends by your skill.

The Gulbransen is always ready for anyone to play. And every song you ever heard of is available in player-rolls, with the words on the roll so everybody can read them. The latest dance songs and love songs. The topical, joking songs from the new operas, the boisterous "altogether-now" songs and the old close harmonies.

You can make your home parties the most enjoyable in your neighborhood if you have a Gulbransen and a good assortment of rolls. Every occasion is made more enjoyable by music, and music for every occasion is available for the Gulbransen.

Gulbransen Trade Mark

Nationally Priced

Gulbransen Player-Pianos, three models all playable by hand or by roll, are sold at the same prices to everybody, everywhere in the United States, freight and war tax paid. Price, branded in the back of each instrument at the factory, now includes six instruction rolls (Martin Method) and our authoritative book on home entertaining and music study with the Gulbransen.

COLLEGE RIPS UP HIGH SCHOOL LINE

Collegians Carry Ball 90 Yards for Touchdown in Eight Downs.

Beginning on its own 10 yard line, in a scrimmage with the high school Thursday afternoon at Lawrence field, the Lawrence team scored a touchdown in eight downs. Each plunge resulted in the movement of the ball several yards down the field. The high school held better after the ball had reached its 10 yard line, and it required four attempts before Lawrence was able to put the ball over.

The high school then received the ball on its 10 yard line, but its plays, "backs right" and "backs left", were tried without success.

Jacobson called the crossback play and Courtney made a gain of three yards. The second crossback play netted the only other gain made by the high school.

When the highs gave up the ball to the college, they were on their own 20 yard line.

Lawrence took the ball up to the 10 yard line in a few downs. Pond, who played full back, was injured and Kubitz took his position. High school held tight again near their goal, and Lawrence made several attempts to carry the ball over from the 10 yard line. Ketchum was once tackled for a slight loss.

The Lawrence men are all ready and waiting for the game with Milwaukee school of Engineering on Saturday. Pond will undoubtedly be able to play his position, as he was not injured very badly.

ARCADE PICKUPS WIN FROM LITTLE CHUTE

A team picked from bowlers who frequent the Arcade alleys defeated the Little Chute Stars three straight games at the Arcade alleys Thursday night. The Arcade men rolled up a score of 2,666 while Little Chute was making 2,425. C. Koerner, Arcade, hit the wood hard in all three games and in the second rolled up a score of 233, the highest of the evening.

next, spending considerable time on goal kicking.

The high school spent most of its practice Thursday afternoon reviewing plays. The "backs movement" formation, which was used so successfully last Saturday, was drilled, and some time was spent in rehearsing forward passes.

No game has been booked for Saturday. Coach Vincent wants to have every man in good shape for a game here on Thursday, Nov. 11. As yet, no game has been secured, but it is probable that in a few days arrangements with a school will be made.

Vermont has elected republican presidential electors for the past thirty-six years.

OHIO AND ILLINOIS FACE HARD BATTLES

Ohio Plays Michigan While Suckers Tackle Stag's Maroons.

Chicago.—The two big ten football teams which are still undefeated—Ohio and Illinois—will take the field tomorrow against formidable opponents. Ohio will have a battle on its hands with the strong Michigan eleven. The Michigan squad is determined to put the Buckeyes out of the championship running. If Coach Wile is able to put Michigan out of the way he will have cleared his path to meet Illinois on Nov. 20 in the game, which if Illinois is still undefeated, will decide the championship.

Coach Zupke will send his squad against the Maroons always a danger team. The Illini will enter the game as heavy favorite on account of injuries to Stag's men. If they are able to beat the Maroons the Illini will have another dangerous enemy—Wisconsin—to meet before the game with Ohio.

A line on the comparative strength of Notre Dame and the big ten will be available after the game between the Irish eleven and Purdue at South Bend tomorrow. Notre Dame should win easily and Rockneck's team shows every indication of going through the season without a defeat.

Northwestern will play Iowa on the cornhuskers' home grounds. Both teams have met two defeats.

Wisconsin will play Minnesota. The Gophers have shown increased strength and the Badgers may be given a hard tussle.

Hills Lecture

The balance of the series of Hills lectures is to be presented at four o'clock services Sunday afternoon at the Methodist church. The lectures have created a constantly increasing interest among people of the community and the officials of the church voted at their last meeting to hold the second service at 4 o'clock until the Hills lectures are concluded. The pictures will be preceded, as heretofore, by a patriotic "sang" and by special musical numbers.

CUT FLOWERS AT GEENEN'S. Beautiful chrysanthemums, roses, carnations, etc., reasonably priced. Flower Dept., first floor, right side.

CARPENTIER AND DEMPSEY SIGN UP

Heavyweights Affix Signatures to Agreement to Fight for Championship.

New York.—Jack Dempsey and Georges Carpentier will sign agreements this afternoon at three o'clock to box for the world's heavyweight championship, according to Francois Descamps, the Frenchman's manager. The three promoters, Tex Rickard, Charles B. Cochran and William A. Brady—the two boxers and their managers and a flock of scribes and photographers will be there.

Gold pointed pens will be used in the public enactment of a very private ceremony that took place a week ago. Descamps admitted today that the articles of agreement were signed last week. The ceremonies of today are for pictures and publicity only.

Just as had been expected, the promoters will announce that unexpected obstacles have arisen in Havana and that the bout, fifteen rounds to a decision, will be held in New York either on Memorial Day or Independence Day, according to Descamps.

The boxers' end of the purse remains the same as was named in the earlier negotiations. Dempsey gets \$300,000 and Carpentier \$200,000.

Each gets 25 per cent of the motion picture rights.

Carpentier and Descamps sail tomorrow for France. They will return after the promoters notify them of the date and place of the bout. The agreement requires them to be in the United States sixty days before the meeting.

Descamps was elated today.

"I'm glad to show the Americans that Carpentier was sincere when he came over here to get a bout with Champion Dempsey," he said.

"We were so pleased with our treatment here that we were only too glad to have the bout staged in this country."

Returns From Germany

William Vorbeck, Oneida street, who left last August for Germany, returned to his home Thursday. Mr. Vorbeck says that he intended to remain for several weeks more, but he found that if he didn't accept passage at once, he would have to wait for several months, as all shops are booked for some time to come.

Harvest Festival

The Salvation Army will hold a harvest festival sale at the Salvation Army Hall, Nov. 10 and 11. Clothing, silverware, fruit, vegetables, farm produce etc will be sold. The goods will be new, according to the captain. A short musical program will be presented and refreshments will be served.

BEST IN THE WEST

Captain "Red" Weston, Wisconsin's star left end, is playing his best game this year on the gridiron. "Red" is noted for his fighting spirit and the fact that he is in almost every play is giving him a preference on the All-American eleven this year. The homecoming game against Illinois which will be played on Randall field at Madison Nov. 13, is pointed to as one of the crucial games of this year's conference series.

BASEBALL MAGNATES MEET TO DISCUSS FATE OF GAME

Chicago.—Fate of organized baseball will be decided at a series of meetings of major league magnates beginning tomorrow with the assembling here of National league club owners. Monday both National and American league magnates will meet separately.

Faced with the continued defiance of five American league club owners against the Lasker plan providing for re-organization of baseball, the National leaguers and owners of the three insurgent American league teams are expected to prepare a counter proposition to the one proposed by the American league. The latter suggested as a substitute to the Lasker plan that a committee of nine be appointed to devise a re-organization plan. The National league clubs are expected to reply to the American league suggestion tomorrow.

Monday both leagues will hold formal meetings and a final decision as to whether the magnates will precipitate a baseball war will be probably reached.

INDIGESTION GOES, GONE!

"Pape's Diapepsin" At Once Fixes Your Sour, Gassy, Acid Stomach

Stomach acidity causes indigestion! Food souring, gas, distress! Wonder what upset your stomach? Well, don't bother! The moment you eat a tablet or two of Pape's Diapepsin all the lumps of indigestion pain, the sourness, heartburn and belching of gases, due to acidity, vanish—truly wonderful!

Millions of people know that it is needless to be bothered with indigestion, dyspepsia, or a disordered stomach. A few tablets of Pape's Diapepsin neutralize acidity and give relief at once—no waiting! Buy a box of Pape's Diapepsin now! Don't stay miserable! Try to regulate your stomach so you can eat favorite foods without causing distress. The cost is so little. The benefits so great.

EASTERN RACE IS NARROWING DOWN

Saturday's Games Will Have Important Bearing on Grid Championship.

(By Henry L. Farrell)
New York.—Leading eleven of the gridiron come to another cross road tomorrow.

Harvard, Princeton, Cornell, Brown and California have another turn to make in their romp toward the championship. Anyone of the quintette runs the chance of going the wrong way and getting off into a blind alley where the season's wrecks are piled.

The Harvard-Princeton game, outside of being the first of the "big three" classics will bring together two major undefeated teams of the east, both contending for the championship.

Harvard is the popular choice. Princeton goes into the game with a better team than last year's that tied Harvard in one of the game's greatest come-backs.

Every Saturday since Gil Dobie's Cornell eleven started its sensational drive, it has been said the Ithacans were facing their supreme test. Against Dartmouth, however, this is sure to be the case. The Dobie team, however, is favored to win.

Tale will have no soft assignment giving the Brown bears their first defeat of the season: Washington and Jefferson will have a battle to keep its slate clean against Syracuse and Georgetown faces a hard opponent in the navy.

Hugo Beszek's powerful Pennsylvania State team should beat Nebraska without any trouble in the biggest inter-sectional game of the day and the Pittsburgh Panthers should have an easy time with the faltering Penn eleven.

Out on the coast the undefeated California eleven meets Washington State. California should win.

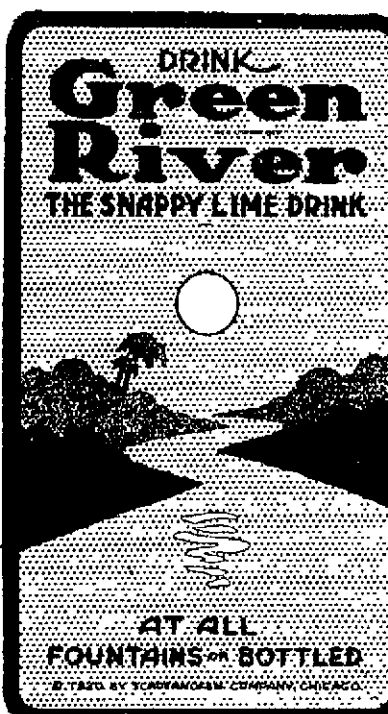

IMPORTANT GAMES IN WISCONSIN TOMORROW

Milwaukee.—Wisconsin has several important football battles on its calendar for tomorrow.

The University of Wisconsin eleven left Madison last night for Minneapolis and tomorrow will clash with the Gopher eleven. Despite injuries received by the Badger aggregation in the mixup, two weeks ago, with Ohio State, practically all regular players were in the lineup that left Madison.

Marquette eased up today on its practice for the game here tomorrow with the Haskell Indians. The hill-toppers expect a strenuous fight on the part of the red skins.

Carroll and Northwestern of Watertown, clash tomorrow at Watertown. Tomorrow Beloit will clash with the Camp Grant team at Beloit. Lawrence meets the Milwaukee school of engineering tomorrow at Appleton. The Milwaukee normal eleven and La Crosse normal meet here this afternoon.

AN INVESTMENT OPPORTUNITY IN WISCONSIN CUP-OVER LANDS

We have in Northern Wisconsin one hundred thousand acres of wealth-bearing land which through a favorable combination of circumstances, we are now able to offer investors at exceptionally low prices and attractive terms. Men who pioneered farming in Indiana, Illinois and Iowa have seen their lands grow in value from a few dollars an acre to \$200, \$300 and \$400. Northern Wisconsin offers the same possibilities without the discouraging hardships of the early pioneers. Close to markets, splendid railroad facilities and unexcelled roads.

If you are looking for a real investment, investigate this. Write for details.

MARKETS

SLIGHT CHANGES
IN GRAIN PRICESMarket Quotations Are Lower
at Start, But Recover Under
Good Demand.

Chicago—United Press Leased Wire
Chicago—Grain quotations were
higher on the Chicago board of trade
today after a weak opening. The
trading was brisk on a good demand in
the face of a lack of offerings and
light receipts.

Wheat was under pressure at the
start but made a good recovery later,
coming from 1 to 2 cents. Corn and
oats were higher on good container
house buying. Provisions were nominally
at.

December wheat opened at \$1.99
down 1½¢, and later gained 1½¢. May
wheat was off 1½¢ at the opening of
\$1.93 but later advanced 2½¢.

December corn opened at \$2.14, off
1½¢, and later was up 1½¢. May corn
opened unchanged at \$8 and later ad-
vanced half.

December oats opened unchanged at
\$1.14, and later gained 1½¢. May oats
opened down 1½¢ at \$8.75 and later was
up 1½¢.

Our Corsetiere Service

We are proud of it—and so
are our customers.

That is why women whom
we have fitted in corsets tell
their friends about our facili-
ties and the skill of our
fitters.

Figures "difficult to fit" are
carefully studied, and un-
usual types receive special
attention.

Redfern
Corsets

Back-Lace Front-Lace

Redfern is the Corset of Individ-
ual Types; and it will give your
figure the charm which rightly
belongs to it.

It is a pliant, graceful, well-made
corset—its material and boning
of the finest—its designing
superb for all types of figures.

You will find even the full figure
models relying on this designing,
rather than on heavy boning—and
they are as comfortable as they
are graceful in line.

(4th Floor)

Front-Lace models
for all
types of figures.

Dainty little girdles
for
slender figures.

Special features
to take care
of excess flesh.
